

# AMERICAN SOCIETY OF HIGHWAY ENGINEERS

## National Awards Nomination Guidelines

*Note: Information presented below has been formatted as a separate webpage and replaces the “National Awards Nomination Guidelines” as presented in the current Operations Manual.*

The American Society of Highway Engineers (ASHE) is proud to honor individuals that have made significant contributions to ASHE and the highway industry each year. The National Board requests that each Section/Region give serious consideration to selecting nominees for each of the awards listed below.
