*Note: Actions of the National Board are highlighted in yellow. Assignments or actions pending are highlighted in green.*
WELCOME: Michael D. Hurtt, PE
President Hurtt welcomed the attendees and guests and reviewed the voting procedures for a Skype meeting. He noted that the National Conference will be postponed due to the CODIV-19 pandemic. It was noted that social distancing is diametrically opposed to the mission of our organization and that National should develop strategies to help Sections to maintain contact with their members and keep them engaged. Mr. Hewatt noted that the PR Committee has reached out to all Sections on this matter in an attempt to keep them engaged. President Hurtt noted the Southwest Region is setting up their Board but efforts have slowed due to the current situation. President Hurtt reviewed the new map of the ASHE Regions and noted the scanner and website have been updated with the new map with the exception of Tennessee Valley, which needs added.

APPROVAL OF MINUTES:
January 11, 2020 National Board Meeting: Motion by Morisi to approve the minutes from the January 11, 2020 National Board Meeting; seconded by Power; all in favor.

PRESIDENT’S REPORT: Michael D. Hurtt, PE
President Hurtt reviewed highlights of the written President’s Report which is attached to and made part of these meeting minutes. He noted that his travel has been restricted due to the current situation but he was able to attend the venison dinner. The Franklin Section named their scholarship after Shirley Stuttler. President Hurtt noted that, although a formal ceremony has not been held, we are considering the Tennessee Valley Section chartered. The ceremony will be held at a later date.

SECRETARY’S REPORT: Thomas S. Morisi
Secretary Morisi reviewed highlights of the written Secretary’s Report which is attached to and made part of these meeting minutes.

TREASURER’S REPORT: P. Frank O’Hare, PE
Treasurer O’Hare reviewed highlights of the written Treasurer’s Report which is attached to and made part of these meeting minutes. He noted that, due to the current situation, we have lost approximately 10% on our investments. Motion by O’Hare to accept the National Treasurer’s Report; seconded by Matthews; all in favor.

ADMINISTRATIVE ASSISTANT TO THE NATIONAL BOARD REPORT: Nancy A. Morisi
Ms. Morisi reviewed highlights of the written Administrative Assistant’s report which is attached to and made part of these meeting minutes. President Hurtt asked Ms. Morisi to request that each Section notify her when they contact the member, who has applied through the website, to join.
COMMITTEE REPORTS:

Technology: Melinda H. Sanders, PE presenting
The Technology Committee Report is attached to and made part of these minutes.

- **Hosting Service Options**: JM Server Solutions presented a contract for continuation of services. A copy of the contract is included in the Report. The proposed fee for 2020-2021 remains the same as that for 2019-2020. Ms. Sanders did a price comparison with other hosting companies and that breakdown is included in the Report. She recommends continuing with JM Server Solutions. The contract, as presented, is to be revised to include language to address potential to remove portions of services, specifically database.

- **Database Enhancements**: Ms. Sanders presented her ideas to develop a new database for use by both National and the Sections. After discussion, it was determined that she is to form an Ad-Hoc Committee to determine if there is support for an upgrade, what form that upgrade would take and development of a scope of work to solicit quotes. Mr. Morisi requested Charlie Flowe be on the Committee.

- **Multiview Web Banner**: Multiview has presented an opportunity to sell banners on the website as a source of revenue.

Budget/Audit: Timothy W. Matthews, PE presenting
The Budget/Audit Committee Report is attached to and made part of these minutes.

- **2020/2021 Budget Discussion**: Mr. Matthews reviewed the proposed budget, in detail, and made adjustments throughout based on comments received during the discussion. Upon finalizing the revisions, an E-Meeting will be called to approve the budget.

- **Printed Versus Digital scanner**: All members will be opted out of the paper scanner and opted into the electronic version at a date to be determined.

- **Motion by Hurtt to increase Ms. Morisi’s hourly rate from $19.50 to $20.00 per hour effective June 1, 2020; seconded by Harris; all in favor except for Morisi who abstained from voting.**

New Sections: Samir D. Mody, PE and Brian G. O’Connor, PE presenting
The New Section Committee Report is attached to and made part of these minutes.

- **Tennessee Valley Section Chartering**: See comments under President’s Report.

- **Most Favorable Prospects**: Mr. Mody reviewed the table of potential new Sections which has been prioritized into three tiers. He noted that a policy needs developed to address the involvement of the National New Sections Committee when a Region is involved in the development of a new Section. President Hurtt directed the New Sections Committee to develop guidelines in conjunction with the Ad-Hoc Committee on Regions. Both Mr. Mody and Mr. O’Connor reviewed the initiatives they each are overseeing.

Nominating: Richard N. Cochrane, PE presenting
The Nominating Committee Report is attached to and made part of these minutes.

- **Addition to 2020/2021 Slate of Officers and Directors and Honorary Awards**: Motion by the Committee to nominate Mr. Richard Grubb (Southern New Jersey Section, Northeast Region) as the Member of the Year, Ms. Deliallisi Denila (Chesapeake Section, Mid-Atlantic Region) as the Young Member of the Year, Mr. Charlie Flowe (Carolina Triangle, Mid-Atlantic Region) as the Lifetime Achievement Award winner, Dr. Gene Conti as the
Pearson Award winner/Person of the year, and Mr. Jim Shea as the Great Lakes Director to fill a one-year term being vacated by Mr. Harris; seconded by Matthews; all in favor.

• **Omnibus Resolution Regarding Postponement of the 2020 National Conference:** As a result of the extraordinary and emergency circumstances brought about by the COVID-19 virus outbreak, the ASHE National Conference is delayed beyond the normal timeframe for the National Conference and Annual Membership Business Meeting.

Motion by the Committee as follows:

The following individuals be considered as installed for each individual’s respective term of office effective June 1, 2020:

**Officers:**
- Stan A. Harris, PE (Triko Valley); Second National Vice President
- Leaigh B. Lilla, PE (Tampa); First National Vice President
- Timothy W. Matthews, PE (Georgia); National President
- Michael D. Hurtt, PE (Albany); Immediate Past National President
- Thomas S. Morisi (Altoona); National Secretary
- P. Frank O’Hare, PE (Central Ohio) National Treasurer

**Three-Year National Directors:**
- Robert G. Prophet, PE (Delaware Valley); Northeast Region
- Michael D. Bywaletz, PE (Carolina Piedmont); Southwest Region
- Scott H. Jordan, PE (Georgia); Southwest Region

**Two-Year National Directors:**
- Frank J. Bronzo, PE (Cuyahoga Valley); Great Lakes Region
- Donato DiZuzio, PE (North Central New Jersey); Northeast Region
- Jason Hewatt, PE (Georgia); Southeast Region

**One-Year National Directors:**
- Kathryn E. Power, PE (Pittsburgh); Northeast Region
- Roger B. Carriker, PE (Chesapeake); Mid-Atlantic Region
- James T. Shea, PE (Lake Erie); Great Lakes Region

It is further resolved that Article III, Section 2, paragraph 8 be suspended for calendar year 2020 and further, that the required reports described in this section be distributed to the membership in a manner determined by the National Secretary by May 29, 2020 and further; that the words (the Annual Membership Business Meeting) in Article IV, paragraph 7 be replaced with “May 31, 2020 and further; that Article V, sections 8.e and 9.e (dealing with the Secretary’s and Treasurer’s reports being presented at the annual meeting), be waived for the calendar year 2020 and further; that the words “... the general election at the Annual Membership Business Meeting” in Article IV, paragraph 8 be replaced with “May 31, 2020” and further; that Article IV (dealing with contested races), paragraph 9 be waived for the calendar year 2020. It is further resolved that, until December 31, 2020, Article V, paragraph 4 (dealing with the start of officers’ and directors’ terms) be replaced as follows: The term of office shall begin at the close of the Annual Membership Business Meeting each year at which the officers elections are announced, [on June 1, 2020,] and shall continue for the period stipulated above or until a successor is elected or appointed and further; that Article VI, paragraph 3 (dealing with the timing and coordination of the Annual Membership Business Meeting) be suspended for calendar year 2020 and further; that, in Article VIII, paragraph 1, (dealing with committee assignments) the words “... the Annual Membership Business Meeting” in
Article IV, paragraph 7 be replaced with “May 31, 2020.” And further; that all changes described herein expire and are null and void on December 31, 2020; seconded by Greenwood; all in favor.

National Conference: Nicole G. Parris, PE presenting
The National Conference Committee Report is attached to and made part of these minutes.

- **2020 National Conference in Raleigh**: The Raleigh Conference Committee is currently looking at dates in October at the same facility. **They are hoping to come up with a plan within the next two weeks.** If they need to cancel the Conference, they are responsible for the guaranteed minimums to the facility IF there are no governmental restrictions in place. The deadline for cancellation is approaching.

- **2022 National Conference in Columbus**: The Columbus site had not been reviewed yet due to the COVID-19 situation. Mr. Pitzer is waiting for the Conference Chairs to set site visit up when available. He will then review the site at that time.

Strategic Plan: Gerald J. Pitzer, PE and Kathryn E. Power, PE presenting
The Strategic Plan Committee Report is attached to and made part of these minutes. It was noted that a survey is being compiled to assist in updating the Strategic Plan. That survey is approximately 90% complete but has not gone out yet. **The Committee is hoping to send the survey out within the next few weeks.**

Ad-Hoc – Regions: Timothy W. Matthews, PE and Leigh B. Lilla, PE presenting
The Ad-Hoc – Regions Committee Report is attached to and made part of these minutes.

Scanner: Donato DiZuzio, PE presenting
The Scanner Committee Report is attached to and made part of these minutes. **Mr. DiZuzio will follow up with Ms. Farrell and Ms. Schumacher regarding distribution of the electronic version of the scanner.**

Public Relations: Donato DiZuzio, PE and Amanda Schumacher presenting
The Public Relations Committee Report is attached to and made part of these minutes. Mr. Hewatt noted that the Branding Guidelines are available on the ASHE National Website and that all logos, etc must be submitted through the PR Committee for approval.

- **Client Relationship Webinars**: Jen Newman is proposing to conduct three free webinars on client relationships to ASHE members. **The PR Committee is to review each presentation first to ensure it is not a promotion of Ms. Newman’s company.**

Professional Development: Roger B. Carriker, PE presenting
The Professional Development Committee Report is attached to and made part of these minutes. **The Committee is to develop a notice that will be sent out in accordance with the Communication Plan to remind everyone what the professional development requirements are.**
Due to time constraints, the meeting was called to a close. All reports not presented are attached to and made part of these meeting minutes.

ADJOURNMENT:
Motion by Morisi to adjourn the meeting; seconded by O’Hare; all in favor. The meeting adjourned at 12:15.

ATTACHMENTS:
The following Attachments are included and made part of these minutes:
- Attachment 1: Officer and Committee Reports

**Total Membership**: 6940
MEMBERSHIP
The membership totals listed above are pulled directly from the National Database on the date listed and may not directly correlate to individual Section rosters.

Total membership as of the date listed is 6,940 which represents a net increase of 235 members since the report for the January National Board meeting. Some specific notes related to membership totals:

- There are no more Sections being reconciled as part of the annual assessment. All reconciliation has been completed.
- As of this report, Tennessee Valley has had 35 members entered into the database. Based on a recent conference call, their membership is projected to be near 50 by the chartering date.
- Harrisburg paid for 95 new members as part of the assessment process but has not yet submitted membership applications or names. The Section has been contacted on several occasions for this information.

ASSESSMENTS
All Section assessments have been paid. There are no outstanding assessments. Once Tennessee Valley has been chartered, they will be paying for all members.

NATIONAL BOARD MEETING ARRANGEMENTS
Costs associated with National Board meetings are rising, especially for meals. It is very important that we have an accurate meal count to submit to the facility when it is requested. The cost to ASHE for unused meals at the January meeting totaled nearly $500.00.
New Member Request Forms (Website): The following is a region summary of the new member request forms (73 totals from January thru March) received and forwarded to the appropriate sections:

**January-31 total request breakdown:**
- 7-Great Lakes
- 3-Mid-Atlantic
- 13-Northeast
- 2-Southwest
- 6-Southeast

**February-33 total request breakdown:**
- 2-Great Lakes
- 8-Mid-Atlantic
- 15-Northeast
- 3-Southwest
- 5-Southeast

**March-9 total request breakdown:**
- 2-Great Lakes
- 0-Mid-Atlantic
- 3-Northeast
- 4-Southwest
- 0-Southeast

**Member website request vs. joining:** It was requested to find out how many members actually join due to the website membership requests. Please note there is a lag time between the actual requests and when the membership applications are being sent to process, usually it is between 6 months to 1 year from the request to joining. Here is the breakdown since May 2019 thru March 2020:

**Total Requests: 217  Members Joined: 53 (24% join rate overall)**

- May-25 requests 7 members joined
- June-19 requests 7 members joined
- July-7 requests 3 members joined
- August-28 requests 16 members joined
- September-21 requests 8 members joined
- October-30 requests 6 members joined
- November-13 requests 3 members joined
- December-10 requests 0 members joined
- January-31 requests 2 members joined
- February-33 requests 1 member joined
- March-9 requests 0 members joined
Dallas Fort Worth Discrepancy: There was a question about the Dallas Fort Worth Section membership amounts. They had indicated a membership total of 127 members to Sam Mody. The National database had listed 38 members. A series of emails dated 1/15/2020 shows that the information listed on Dallas Fort Worth’s website was inaccurate. Markus Neubauer, President of Dallas Fort Worth Section has confirmed that the reported number of 38 members is correct. He was working with the Vice President of the Section to have the incorrect information removed from the website.

Website requests (non-membership): The website has received approximately 10 requests that are not membership inquiries. This does not take into consideration the vast amount of spam requests that are read and discarded.

Committee/Region Reports Due Date: The next committee/region report due date will be 5/21/2020. The due dates were sent out at the beginning of the year as a meeting invite so the dates could be put on calendars well in advance. There are several “reminder emails “sent for report due dates. Reports come in generally a few days before the actual meetings. Suggestions are welcome as to how to get the reports earlier so they can be reviewed and uploaded to the cloud in a timely manner.

Section Visits: A total of 14 Sections have been visited by various board members from May thru August. (Based on information reported to NM) Section Visit report is attached.

Assessments/Database reconciliation: All Section assessments have been paid and the Sections who requested to reconcile have been completed. The only discrepancy at this time is Harrisburg Section had paid for 95 new members during assessment but those applications have not been received.

New Members: 163 New member applications were processed and certificates and pins sent to corresponding Sections. (January thru March)

Past President Pins: Pittsburgh requested a past president pin, request was processed and mailed to the Section. (January thru March)

Lifetime Member Pins: Central Florida requested one lifetime member pin. An order will be placed after restrictions of COVID-19 virus are lifted.

New Section Banner and Charter: Tennessee Valley Section was sent their new banner and charter on 3/12/2020. The chartering was cancelled for 4/2/2020 due to COVID-19 Virus. Tennessee Valley Section certificates and pins were mailed on 3/20/2020.

New Officer Orientation Packets: New officer orientation packets have been sent via email to the new board members on 3/16/2020. The packets were updated to make them more relevant and all information in one place. The packets include a welcome to the board sheet with important information, expense policy and guidelines, blank expense report (excel file), example expense report, leadership chart, IRS publication 557.

Cloud Files: The cloud files will be assigned naming convention and will be organized. This has started with the scanned files from the Beacon Hill file. The National Board Meeting minutes will be the first project, they will be organized by year and put into one place for easy reference. This will be ongoing until all files have been organized and have a clear and consistent naming convention.

Date: 3/24/19
Report Period: Spring 2020

Meetings held since the previous Quarterly Report

1. 11/7/19 – Meeting to discuss membership/online payment options on a National Level
2. Email Coordination as Needed

Motion(s) to be brought before the National Board:

New Business: None

Discussions to be brought before the board

1. 2020/2021 Hosting Options – The Technology Committee has been asked to compare JM Server Solutions to Alternate Hosting Options
   a. Comparable Solutions must provide Cloud and Web Hosting plus support/backup (does not include database)
      i. JMSS – anticipated to be $3,225/yr (includes Jacob’s time)
      ii. A2 - $2,100/yr (would require more time from a volunteer)
   b. Database – This is a custom service so there is no way to compare
2. Database Enhancements at the National Level – The Technology Committee has been asked to discuss ways to enhance the National database to allow a greater use for sections to more easily manage their membership, especially during the renewal period and provide online payments to ASHE National.
   a. Received inquiries from several sections wishing to find a better way to manage their memberships, payment events
      i. Survey Sent out to the Sections – 10 Responded (as of 3/24/20)
         1. National Database
a. 5 of 12 responded “accessed frequently”
b. 5 of 12 responded that it is maintained by member
c. fair to say that ALL responders maintain a separate list

2. In general complaints about maintaining multiple databases, inefficiency of membership renewals and new membership process, and difficulty in querying member database; request for continued control at section level
   a. Fees - Large Range from $0 (Manual/Spreadsheets) to High cost (ex. Wild Apricot $3264/2 years or Eventbrite $500/mo)
   b. Similar Request received from Frank in regards to payment receipts
   c. Potential Options
      i. Third Party Sites
         1. Wild Apricot – provides membership renewals, online payments, events
            a. ~ $20,500/year to allow each section to be compartmentalized, but no umbrella to manage all at this time. (Price dependent on membership in a section- Range $40-$160/section)
            b. ~$4,500/year for all sections to be under one administrative account
      ii. Custom Options
          1. Cost TBD – Estimated cost ~$10-20k (one time fee), plus maintenance costs for new features and/or updates to PHP
          2. Example: www.georgia.ashe.pro; potentially scaled up for all Sections/National Level

3. Multiview Web Banner Ads - Email discussion in September, but no resolution. Unknown terms of current contract;
   a. Per Tammy - $7000 for business to have an ad contract through Multiview;
   b. We can potentially generate revenue without this service.

**Status of action items:**

**Website/Hosting**
- Ongoing maintenance performed by Dick Cochran and Mindy Sanders.
- 3 update requests have been completed since the last report
- Send website requests to Mindy Sanders (mhsanders@pontengineering.com)

**Cloud**
- Continue to improve use and organization of ASHE Cloud – No specific issues known.
- Add users as requested – Up to date – 7 new credentials were created since the last report.
- Added 3 workspaces: Tennessee Valley Section, 2022 Conference, and 2023 Conference

**Membership Database**
- Maintenance, as needed

**WebEx**
- No known issues

**Survey**
- Free options available through WordPress plugins
- Used on a recent Technology Survey
- Strategic Planning Committee

Other
- Web Banner ASHE IBC Co-Sponsor Agreement – Banner Ad on National Website (March, April, May 2020) – working with Mark Kinnee and IBC to obtain ad. Ready to post once received

Contract(s) – monitor and administer contract with IT vendors
- JM Services – Contract Renewal with Jacob Morisi Server Solutions – (Expires 6/30/21)
  o Renewed via Email Vote – Approved 8/26/19
  o Includes Hosting (for Most Sections), Cloud, and Database Service and Maintenance
  o Increase of ~$100/month for hosting for 2020/2021
  o 2020/2021 contract will not be sole-sourced. Other options have been investigated

Budget update

1. 2019-2020 Budget: $4,700
2. Spent – List items and $ spent this quarter
   a. JMS Server (Technology Portion) - $1200
3. Current Budget Balance: $2,700
4. List any Non-Budget Items that should be considered.
   a. Current Budget does not cover all required spending commitments:
      i. Total Required –
         1. JMS ($4,840)
         2. Travel to 1 Board Meeting ($1,200)
         3. Survey Gizmo - $0
      ii. Shortfall - $1,340

Proposal for Web/Application Hosting and Maintenance for the American Society of Highway Engineers

Introduction

The purpose of this proposal is to continue the agreement between the American Society of Highway Engineers (also referred to as “ASHE” or “client”), and J.M. Server Solutions, LLC (also referred to as “JMSS” or “provider”) for hosting and support services for a period of one year beginning June 1, 2019.

This ongoing agreement provides hosting services to ASHE as well as a designated number of support hours which is explained herein. This project, which started in 2010, is an integral part of the ASHE operations and J.M. Server Solutions remains fully dedicated in providing the best possible service for an affordable rate.

About our Company

J.M. Server Solutions was founded in 2011 with a vision to provide server hosting and other technology related services to the local and national areas. From the beginning, we have had a single mission to provide these services at the highest quality and at an affordable price. Since we are a small business, we are able to easily stick to our mission while maintaining our quality of service.

Our company is a PA registered and licensed Limited Liability Company. Our headquarters are located in Johnstown, Pennsylvania. The business is a PA COSTARS contract registered small business.

Datacenter Information

Our datacenter is hosted courtesy of Amazon Web Services. They provide the ability to host our servers securely and protect them from all failures. Our servers are hosted on the west coast with the ability to fail over to a different datacenter located elsewhere in the United States. The West Coast also avoids the high traffic networks in the East. Our data is securely hosted in the same datacenter as some of the largest companies in the world.

We maintain a secure VPN link with the datacenter for management purposes. This allows us to manage our servers, while also providing us with real-time alerts of failures and other events. Our servers are also scalable, meaning when more space is needed, it can be added easily.
Description of Scope

The purpose of this proposal is to continue the hosting and support agreement for another calendar year. The definitions are as follows.

Hosting

The hosting shall include space on a secure, dedicated server. The space shall expand as needed as ASHE grows. No ownership of physical hardware is granted through this agreement.

The hosting is for the National Membership Database, ASHE Cloud, and for ASHE National, Region and Section websites. This definition is open for modification only when a separate agreement demands other data be hosted on this server.

ASHE websites will have their own control panel in which they can monitor and control every aspect of their individual site. The default limitations for these sites shall be as follows:

5GB Storage
20GB Monthly Bandwidth Transfer
5 FTP Accounts
20 Email Addresses
5 Databases
5 Parked Domains

These limitations can be modified on a case-by-case basis within reason. As per ASHE motion passed in 2013, individual regions and sections must contract directly through JMSS for any additional storage needs.

Hosting/Website Support

For the purposes of this agreement, the only support provided for websites or the hosting accounts is the creation of hosting accounts as needed. All other website support and maintenance is on a time and materials basis contracted with the specific Section or Region at the prevailing rate.
Support - Database

The definition of support differs between various applications and agreements. This definition is unique to this agreement. Support agreements are not time and materials based.

J.M. Server Solutions will provide one year of support for this agreement. This support includes the following:

- Repair of Database Malfunctions and Bugs
- Database Field Additions and Subtractions
- Minor Database Customization
- Minor Report Customization
- Section and Region Addition and Subtraction
- Password and Help Requests
- Data Import from CSV as necessary
- Needed Server-Side Software Updates

A representative from the Provider will be available to attend either the ASHE National Board Executive Committee or the Database Committee meetings at the request of the ASHE National President for the purposes of updating the Committee on database progress and any needs (see travel section).

These definitions are custom for this agreement. Therefore, descriptions and price quotes on our corporate website may not reflect those in this agreement.

The ASHE Membership Database and any associated customized software developed at the expense of ASHE will remain the property of ASHE.

JMSS will notify ASHE of downtime and potential changes before they occur. It is the responsibility of ASHE to provide JMSS with a mailing list.

JMSS will maintain contact with the ASHE National Secretary. All communication with the Provider will be conducted through the National Secretary or their designated appointee who will direct the Provider on behalf of ASHE.
Support – ASHE Cloud

The ASHE Cloud is a one of a kind, unique, service that should be supported as such. The Cloud is designed to act as a password protected file server providing ASHE a centralized repository for all files. During the term of this agreement the Cloud will be fully functional and the support part of this agreement will be tailored to that. Support for the ASHE cloud will include the following:

- Setup of the Workspaces as defined by the Cloud Committee
- Customization of settings to suit the needs of ASHE
- Participation in meetings, webinars, etc.
- Participation in presentation at the ASHE National Conference
- Training of the Committee to set up usernames, passwords, and permissions.
- Current storage for the cloud is capped at 50GB.
- Needed server-side software updates
- Assist Cloud Committee Chair with the initiation and Support of a Cloud User Group
- Daily incremental and weekly full backups of files stored locally and transferred to a different Datacenter nightly, with a retention policy of five daily backups and four weekly backups.

A representative from the Provider will be available to attend either the ASHE National Board Executive Committee or the Cloud Committee meetings at the request of the ASHE National President for the purposes of updating the Committee on Cloud progress and developments (see travel section).

JMSS will also maintain contact with the ASHE Cloud Committee. All communication with the Provider will be conducted through this Committee who will direct the Provider on behalf of ASHE.

Reporting

JMSS will provide a report of activities to the ASHE Technology Committee or Board Members as requested, so as to maintain open lines of communication and transparency.

Travel

At the discretion of the National President, JMSS will travel to two National Board meetings, outside of the National Conference, for the purposes of updating the National Board on Provider activities, as well as the progress of all current projects. JMSS will also meet with the respective committees involved with the projects at hand in order to maintain adequate and proper lines of communication with ASHE. ASHE will reimburse JMSS for (1) one night of accommodations (at the ASHE negotiated rate), meals, and transportation expenses (if applicable) up to a maximum $500.00 per occurrence for the contract term.
Proposed Cost

The itemized cost breakdown is as follows:

Hosting
ONE YEAR ................................................................................................. $1,850.00

Support - Database
ONE YEAR ................................................................................................. $1,350.00

Support – ASHE Cloud
ONE YEAR ................................................................................................. $700.00

Backup – ASHE Cloud/Hosting
ONE YEAR ................................................................................................. $900.00

Domain – ashe.pro
ONE YEAR ................................................................................................. $40.00

TOTAL AGREEMENT .............................................................................. $4,840.00

The monthly cost of this agreement is $400.00 with the domain payable upon renewal.

Contract term is June 1, 2019 to May 31, 2020.

Upon signature of agreement a payment of $800.00 will be due and will cover the first two months service (June and July).

Remaining bills will be generated on the last day of the month for that month. For example: August’s bill will be generated on August 31st for August’s services.
Terms and Conditions

This hosting contract is leasing space on a server owned by J.M. Server Solutions. By signing the contract that is linked to this proposal, there is no transfer of ownership.

The signature of the contract that is associated with this proposal, is accepting the terms for a period of one year. EARLY TERMINATION: ASHE must pay out the remainder of the contract in one lump sum if they choose to terminate the contract before the agreement is over. EXCEPTION: Should JMSS not fulfill the terms of the contract and an agreement cannot be made, ASHE has the option to provide 30 days’ notice to terminate this agreement. ASHE will then pay the prorated amount (or receive an invoice credit) of services rendered to that date.

SLA: JMSS will respond to queries submitted by phone, electronic mail, or other viable communication in a maximum of 48 hours. Should services beyond the terms of this agreement be required as a result of this communication, a contract change request including cost and time estimate will be communicated to the client.

This contract can be changed after signing by either party only by the filing a contract change request. Changing the contract may involve additional costs depending on the change and will require approval by the National Board.

The terms and conditions for this contract are valid for the term of the agreement. Any changes will be made in writing to the ASHE National Secretary or their designated appointee thirty (30) days prior to the change.

ASHE will continue to keep the small “powered by” footer on the database and cloud interface throughout the term of this contract.

Questions should be made in writing to J.M. Server Solutions via email at jmorisi@jmserversolutions.com.

J. M. Server Solutions is a limited liability company operated in Johnstown, Pennsylvania. All logos, designs, and software bearing its name shall remain property of the company. This property shall not be used, duplicated, or re-branded without prior permission.
Acceptance of Proposal

To signify acceptance of this proposal both parties must sign Contract Number: 201906-01.
Client:
American Society of Highway Engineers

Description:
Contract number 201906-01 for the hosting and maintenance as described in proposal 201906-01P for the American Society of Highway Engineers.

Terms:
Hosting - ONE YEAR - $1,850.00
Database Support - ONE YEAR - $1,350.00
ASHE Cloud Support - ONE YEAR - $700.00
Backup of ASHE Cloud and Hosting Accounts - ONE YEAR - $900.00
Domain Renewal - ONE YEAR - $40.00

Payment terms are NET 30 from date of invoice. Interest of 1.5% per month or 18% per year shall be charged for payments received past the due date.

Account will be billed monthly on or near the 30th day of the month for that months services, in the amount of $400.00 per month with the domain renewal invoiced separately upon renewal. A deposit of $800.00 will be due upon signing and will cover the months of June and July 2019.

The agreement shall be in effect from June 1, 2019 to May 31, 2020. After which time a new agreement will be presented. Should the client terminate this contract, the Early Termination clause shall become effective as stated in the proposal. All terms are referenced in Proposal 201906-01P attached herewith.

Authorized Signatures

By signing this document, the American Society of Highway Engineers agree to the terms of this contract and the scope defined in the corresponding proposal. The signor is guarantees that they are authorized to enter into an agreement of this nature.

1. We’re currently using Wild Apricot to manage our member database and accept payments.
   a. This costs $110 a month, which is $1320 annually.
   b. This is in addition to PayPal fees.
   c. So we need a new system...

2. I’ve updated our website to WordPress.
   a. December 2017
   b. Just purchased security certificates, and a new theme.

Tasks that need to be replaced by the new site.

1. Membership registrations and renewals.
2. Membership profiles and directory.
3. Email communications with the members.
4. Event registration for meetings.
5. Accept Payments.

Proposed Solutions:

1. For Membership
   a. ARMember - $43 (there is a free version, and a trail)
   b. Ultimate Membership Pro - $39
   c. Memberpress - $150

2. For Email
   a. Mailchimp seems like a good way to do the email blasts. I’m not sure which plan would be the best but am planning to start with the free one and go from there.
      i. Chesapeake Section has had some troubles in the past with Mailchimp emails being routed to junkmail.
   b. Constant Contact.

3. For Registrations
   a. WooCommerce.
      i. Free.

4. For Payments
   a. Continue to use Paypal.
      i. Add paypal button to site.
      ii. Or otherwise integrate with WooCommerce

Other issues and Concerns:

1. Login Security
a. I’m currently using the free version of Wordfence but it’s keeping me from updating my PHP to the latest version.
b. What is everybody else using?
   i. 2FA
   ii. Captcha

2. Do we need a hard copy of the membership form?
   a. Doesn’t seem like it since the Georgia section is collecting info electronically.
   b. How does the section board approve or deny members? (Signatures)

### Database - Need more info to compare to others
Hello Mindy,

Thank you for contacting Wild Apricot.

I would be happy to discuss multi–chapter options with you. In the case of multi–chapters, there are two ways you can accomplish this on the Wild Apricot platform.

1. Have all the chapters set up on the same account. This means that all chapters would be accessing the back–end portal to manage their database. As well there is only one website and one payment processor linked the account. *i.e. You cannot have funds go into each chapters own bank account*

2. Have each chapter set up with their own independent account. This will allow them to have their own website, payment processor and database. We also have multi–chapter discounts in place for 5 or more chapters. One thing to note about this method is that at the moment there is no "centralized/umbrella" view to display all chapter members in one place.

For multi–chapter pricing you can refer to the below chart:

<table>
<thead>
<tr>
<th># of Chapters</th>
<th>1–year contract</th>
<th>2–year contract</th>
</tr>
</thead>
<tbody>
<tr>
<td>1–4 (Standard)</td>
<td>10%</td>
<td>15%</td>
</tr>
<tr>
<td>5–9</td>
<td>15%</td>
<td>20%</td>
</tr>
<tr>
<td>10–19</td>
<td>20%</td>
<td>25%</td>
</tr>
</tbody>
</table>
These discounts are not applicable to "monthly" rates, so you will need to sign up for 1 year or more. For more information on our pricing please see https://www.wildapricot.com/pricing.

Please do feel free to respond to this email or book a call with us here and we would be happy to further discuss our software and functionalities with you and make sure that we're a good fit.

Cheers,
Nicki

Website on ashe.pro: Yes

Web Application: WordPress

Membership Application: Excel

Membership Form: Fillable PDF Form

Membership Form Affect: We just started using the new fillable PDF, but had been using a handwritten paper form. No, I don't think the method of submitting the application is impacting the number of new members who apply. The handwritten membership renewal form however I do think hampers the membership renewal process. We might get renewals submitted in a more timely fashion if that process were electronic.

Registration Application: Constant Contact

Registration Application: Constant Contact has an annual fee that is around $600/year.

Payment Application: PayPal

Opinion about these methods: No. Our method of collecting handwritten membership (or fillable PDF) membership forms and entering the data in a spreadsheet for tracking is not efficient, especially during membership renewal time. We have to manually log all membership renewals received and then send emails to individuals to track them down if they don't respond to the group emails that are sent through Constant Contact (where we also maintain a membership list with email addresses). We also have to reconcile our list with National's membership list annually, which is time consuming and lends itself to errors.

Database: We only reference it during annual assessments and new memberships

Database User: Each Member

Database Improvements: We probably could use the National Database to maintain our membership roster. We have not been using it because for a long time it was out of sync with the local roster that we maintained. We've taken strides over the past 2 years to ensure they are consistent. The National Database stores more information than what we keep on file for tracking membership in our local database.
The national database is also time consuming to make updates to. The interface for updating member information is usable, but outdated and not intuitive. Searches for members who I know are the database often return no results.

Challenges:
Tracking members down for payment. We send emails to our membership list via Constant Contact, but for those who do not renew in a timely manner, we need to send them personal emails to track them down.

We also asked for updated information with renewals, but most people don’t even know what information is currently on file in the Database. When we get updates, we (membership committee) have to manually input them into the database, which is time consuming.

Flow:
I'd like to see an automated process developed (or software package used) where members could renew their membership, become a new member, verify/update their information (and have it go straight into the national database), make payments, develop list of members who have/have not renewed/paid, automatically send emails to those who have not renewed, etc. This would help to streamline the process and maintain consistency between the national and local membership rosters.

Additional Details:
Many other large engineering organizations handle membership at the national level. I understand this requires staff (and funds) to do at the national level. However, once the sections start reaching larger numbers, it is very time consuming for the section to conduct the membership process using volunteers. I'd like for national to consider taking on the role of providing membership services for all of the sections. If that is not feasible, please advise what other solutions/software platforms are available to sections to aid in this process.

Opinion about these methods:
no, we should go entirely online for memberships/renewals. Challenge will be how to administer... if it is nationals i image our cost will go up; if it is local section, our cost will go up for web service/management fees. Still worth the growing pains, i believe.

Membership Application: Excel

Membership Form: Handwritten Paper Form

Membership Form Affect: An online option would be handy for some, but hard copy should still remain for the stalwarts. Any online option should remain controlled at the Section level.

Registration Application: Email with an attached PDF flyer

Registration Application: None

Payment Application: None - costs have been a barrier.

Opinion about these methods:
There's nothing special about our process.

Database: We frequently refer to it to make sure it aligns with our separate roster

Database User: Each Member

Database Improvements: Historically, it has been inaccurate.

Challenges:
It's a bit clunky, but other than a slight delay (much better with Nancy), it's fine.

Flow:
I'm not sure that all the signoffs by committees and boards is very meaningful. I don't ever recall not accepting an application. It's a silly formality that just sucks up time.

Additional Details:
I am happy to join in on a web conference if there is a discussion of this.

Membership Application: custom code and database that I developed

Membership Form: Online Form

Membership Form Affect: Online form is instantaneous. New members are automatically added to the Georgia Database. Does not affect new memberships

Registration Application: our custom code and database

Registration Application:
None

Payment Application: Paypal (Venmo can be used on phones)

Opinion about these methods:
Our methods are wonderful, but the custom aspects make it less feasible for an individual section to adopt

Database: We only reference it during annual assessments and new memberships

Database User: Section Board Member

Database Improvements: It is cumbersome to use. It does not provide real time statistics, especially regarding new members. It does not allow payments and certainly isn't integrated for events and sponsorship registrations.

Challenges:
Main gripe is that the National database cannot be updated at the same time as Georgia's so we have to maintain two separate ones.

Flow:
A single database that sections would use for all new memberships and assessments. An online membership form would collect data and once paid would automatically be a part of your membership roster. National would have access to this info and see when new membership forms are received.
Additional Details:
Would need to handle event registrations also. Otherwise, sections would need another method to collect registrations.

Membership Application: National Database and a Google Account

Membership Form: Fillable PDF Form

Membership Form Affect: I believe that our process of returning a fillable or hand filled out PDF application works well, along with paying membership dues by Paypal or by mail in check. I am able to send out the application as requested and we also have it available on our website with instructions. I haven't seen any issues to give concern.

Registration Application: Our ashe.pro website with Paypal buttons.

Registration Application:
We pay Paypal fees on each transaction.

Payment Application: Paypal

Opinion about these methods:
Our system works very well for our size of membership, 191. We have all members entered into a Google account contacts including a member, non-member, and student list. We use gmail to send out all contacts except for membership renewals which the secretary sends directly from their Outlook account to each member to use mail merge tool. We did have one glitch early on that some spam filters were blocking us, but I was able to send an email with the membership dues renewal informing members to check for our emails in their spam filters and we haven't had any complaints since that time.

Database: We frequently refer to it to make sure it aligns with our separate roster

Database User: Section Board Member

Database Improvements: We use the national database on a regular basis, however the Lake Erie Section DOES NOT recommend that our members update it on their own. This is because there is no direct link between the LE email list and the National Database. If a member were to update their information and then NOT tell me, the Section Secretary, I wouldn't have that updated email and would have to wait until an email bounced (which it may never do!) to then check specifically for their name on the database. If we force the members to update their information with me, then I can
update both the LE email list AND the national database at the same time. The section never uses personal mailing addresses, which is why we stopped keeping our own list and went with the national database list only. Keeping TWO lists was proving difficult, but having to coordinate emails only is much easier. If we were to allow the members to update their own national database information, we would have to be in a place in which nationals was providing our email program/mailing list and/or it sent an email to the section secretary with the updated information.

Challenges:
Main challenge is absolutely people that do not respond to emails or phone calls, which is absolutely a personal issue with some irresponsible people and not something we can fix.

Membership Application: Microsoft Access (trying to get our officers to use the built-in SQL on the website hosting service)

Membership Form: Fillable PDF Form

Membership Form Affect: Using fillable PDFs and/or paper forms tends to slow down the gap between submittal by the applicant and submittal to National as we have to work through multiple people to make sure they have paid, collect signatures on the form, etc. We are working on a way to populate the PDF with an online form (we had this in the past when our website was manually coded) as well as collect digital signatures but that is complicated. We also tend to have some delays in collecting paper forms as new applicants will give them to their ASHE point of contact or whomever "recruited" them (e.g., their boss who is already a member) instead of our treasurer or membership committee chair, so the applications get passed around a bit before they end up with someone who can take action on it.

Registration Application: WordPress

Registration Application: None

Payment Application: PayPal

Opinion about these methods:
Not sure we're doing anything better than any other section.

Database: We frequently refer to it to make sure it aligns with our separate roster

Database User: Each Member

Database Improvements: The problem on our end is the time/effort gap between when a member submits their application to us and when we submit it to National. Our new members frequently assume they're members as soon as they send the application in, so we have to expedite the approval process and also make sure they are treated as members from the Section's standpoint even if we haven't sent their application to National yet. There's also no easy way to query the National database automatically for updates (such as when we need to send an e-mail to all members).
Right now that entails exporting the National database and pulling the emails through mail merge, which is a lot to do on a continuing basis.

Challenges:
Mostly the time/effort gap as described above. I am trying to get our board in the habit of approving membership applications and signing them at our (monthly) board meetings, then sending the applications and payment immediately thereafter. The main obstacle to that is the applications that fall through the cracks when they are being passed around as described earlier. It's also very difficult to get our members to sign into the National database to update their information.

Flow:
It would be good if we could add new members to the National database ourselves and have National add that to our tab for assessments. That way they are already "full" members while we catch up on the paperwork and payment. I know that is a database maintenance nightmare but if that happened there ought to be a way to keep track of which members are paid for and confirmed versus which have been newly added by a Section officer.

Registration Application: Conctant Contact
Registration Application: Approximately $600 per year.

Opinion about these methods:
Yes. Moving to online forms are easy. Paypal deducts a fee for each payment but still totally worth it.

Database: We frequently refer to it to make sure it aligns with our separate roster
Database User: Each Member

Database Improvements: We don't have a separate membership director in our section and many members don't know that they can update their information on the national database themselves. I wish there was an email set up or flyer that we could share this information with our section membership.

Challenges:
It is very labor intensive to maintain membership, add new members who are being added randomly through out the year and send the list to National every few months.
Some times if a member sign up in March, we have to pay $40 assessment fee and then again an additional $25 in September. It just doesn't work very well and it can create discrepancies between National database vs. section database.
Flow:
I think it works better if ASHE National take over the membership process, charge an additional section fee, collect the money and send to sections. It will be a loss for the sections but it may make more sense.

Many of our members don't know their member ID. Can ASHE National send an email to each member with the ID number?

Additional Details:
Currently, we don't have a process to track lapsed memberships. We had cases that non-members (or lapsed members) used our renewal notice link to sign up, then we have to follow up with them to pay the additional $20 member fee and fill in the new member form.

Registration Application:
Website: $750.00 annually; Constant Contact: $716.00 annually; PayPal: no required fee, but there are fees that total approximately $1,400.00 annually.

Payment Application: PayPal

Opinion about these methods:
We like to keep records in excel, because that provides a way to track individuals that need contact updates, and allows us to sort different criteria during the renewal process.

Database: We frequently refer to it to make sure it aligns with our separate roster

Database User: Section Board Member

Database Improvements: If the National membership website allowed for additional entries for tracking purposes (renewal payment received, contact info updated date, etc.) and included a way to export that data, we may be able to use the National database more often. We do find it to be a useful tool to check against our own membership tracking.

Challenges:
Membership renewals and reminders still have to follow a rigorous process, and manual tracking. If National provided a way for the individual to manually enter their own data and make direct payments for renewals, it would take much of the manual work out of it for the Sections. We understand that Section dues likely vary greatly, but it seems like there should be a way to handle this process digitally that reduces the membership committee workload on a yearly basis, and
would allow individuals to make contact information changes without the need for paper forms and manual entry by a committee or board member.

Flow:
The current workflow is not bad by any means, but improvements could be made to both our Section's and the National website to reduce the burden on the committee and enable more flexibility for the members.

Additional Details:
Thank you for the opportunity to provide this feedback. We hope this is helpful!

Meetings held since the previous Quarterly Report:
1. No meeting of the Committee has been held since last National Board meeting.

Motion(s) to be brought before the National Board:
1. January a motion was brought to the board to approve the Audit.
2. Motion will be brought to the National Board in April to approve the 2020-2021 Budget

Discussions to be brought before the board:
1. Changes to printing options for scanner to reduce cost in budget.
2. Potential financial concerns due to conference cancelations or reduced attendance.

Activities:
Tim Matthews has completed next year’s budget and will bring to the board at the April 2020 National Board Meeting. The Committee members regularly review reports submitted by the National Treasurer including Treasurer’s Reports, Bank Statements, Cash Flow, Credit Card Statements, and Investment Account Statements, and provide comments (as generated) directly to the National Treasurer. All documents reviewed by the Committee are returned to the National Treasurer for filing, stamped as “Reviewed”.

Comments on Treasurer’s reports, if any:
1. None.

Status of investment instruments & comments:
1. For this reporting period, the Committee reports that our investment account has lost money due to the economic downturn over the coronavirus. As of March 2nd we reported a loss of $10K.

Current activities started or underway to identify, promote and support the New Sections endeavors.

**Tennessee Valley** – Champions, Joe Deering and Rachel Gentry (TDOT)
- Core Group Meetings held 1/23, 3/5 and 3/11 to plan Chartering Ceremony
- Chartering ceremony was originally scheduled for 4/2 but has been postponed to a future date. The official date that this Section was chartered is 4/2 but the Ceremony will be rescheduled.

**South Carolina** – Champion, Nanette Fogleman
- E-mail exchange with Champion to discuss follow up activities from ACEC-SC/SCDOT conference held on 12/3/19.
- Section conference call held 2/4/20.
- ASHE New Section Interest Survey was distributed on 2/18/20; received 77 responses.
  - 41 respondents - extremely or very interested in a South Carolina Section.
  - 30 respondents - somewhat interested in a South Carolina Section.
  - 9 respondents - would be interested in being an Officer with 35 maybes’.

**Alabama** – Champion, Ashley Ann Adams (Volkert) and Theresa Barksdale (HMB)
- Holding bi-weekly calls with the Core Group to advance Section towards the chartering ceremony.
- Ashley Ann Adams stepped up following the 3/23 call to Champion this endeavor with Theresa Barksdale assisting.
- Scheduled a kick-off meeting at the ALDOT Preconstruction Conference on the docket for April 6th to 8th but the conference has been postponed – will re-schedule.
- Section is preparing a two-sided ASHE flyer for distribution to prospective members.
- SASHTO 2020 will be in Mobile, AL – Would like to hold an additional “Meet & Greet” to build momentum towards Chartering at SASHTO in early August.

**Austin, TX** – Champion, Robert Scullion (Terracon)
- Check-in call was held on 2/17/20 with the Core Group from Austin.
- Survey was distributed to prospective members to gauge their interest to host an in-person “meet and greet” sometime during the week of March 16th – 20th. This endeavor was postponed during the outbreak of COVID-19.
- Future telecons were placed on hold until early April however Core Group is working offline to address actions established during the February call. Most importantly, strengthening the Core Group base was the highest priority.

**Hartford, CT** – Outreach by Erik Jarboe (AI Engineers) and Larry Murphy (Jacobs)
- This was the first new activity with this endeavor since 3/11/19.
- The NS Committee conducted a telecon with Erik and Larry on 2/12/20. A copy of the ASHE Toolbox was distributed to them.
- Their first order of business is to spread the word and build a solid Core Group of prospective members who are interested in assisting and possibly serving in leadership positions.
- A check-in call will be scheduled in the next couple of weeks.
- The DOT is located in Rocky Hill, CT.

Denver, CO – Champion, Tyler Work
- Held an exploratory call with Tyler 2/26/20 and brought him up to speed of activities that progressed to 2013.
- The NS Committee was planning to distribute a one-page ASHE flyer at the Innovation Summit in March but the event was postponed.
- 3/29 - Sam provided Tyler a copy of the database compiled from our previous efforts of chartering a new Section in Colorado to aid Tyler in establishing the Core Group.

New Mexico – Champion, Lawrence Lopez (NMDOT)
- No response received from Lawrence from outreach on 11/26/19, 12/19/19 and 2/6/20.
- 3/30 – Lawrence responded to yesterday’s e-mail and available to participate on a telecon later this week.

San Diego, CA – Champion, TBD
- No new activity to report.

Mississippi – prospective Champion, Brian Smith
- The NS Committee has not received any follow-up responses from Mississippi since early 2019. This initiative has been pushed down the list for now.

Other activities.

Regional Initiatives –
- Tennessee Valley Section.
- NS Committee needs to follow up with Great Lakes Region on the status of Detroit, MI and re-start of Circle City, IN.

Discussions to be brought before the board – N/A

Status of past and future conferences – concerns and progress (Attach individual reports as needed)

Requested $800 budget for 2020-2021 budget at January board meeting(exact same amount as current year)

2019 – Seed money and conference profits have been returned to National. Only one vendor payment remaining but will likely close out banking account and EIN with or without this payment to have the books closed prior to May 31st.

2020 – Their website is live and they are continuing to populate it with information as it becomes available. To date they have $140K in committee sponsorship and are 30 confirmed exhibitors. They have a contract with hotel, golf course (Lonnie Poole), clay shoot (Drake Landing) and Friday night event (at Junction West). They are still looking at options for the Saturday night event. Guest tours have been nailed down and can be seen on website. They have selected Expopass as their registration company and
will include an all inclusive package price (registration, Friday and Saturday night events) as well as al-la-carte options. The all inclusive will offer a discount to just the al-la-carte option and will likely be around $225. Registration is live. An agenda has been developed and will have 3 tracks – Innovation in highways and bridges, transportation and environmental and multimodal and connectivity. They are continuing to work with local chamber of commerce to find transportation companies but will offer Uber/Lyft discounts to conference attendees. The current issue with this conference is dealing with COVID-19. As of right now, our recommendation from the NCC is to keep the conference as scheduled and will continue to monitor the situation. 2020 is currently gathering information regarding a break even number of attendees needed, costs if conference is canceled as well as cost if conference is shifted a month or two.

2021 – They have finalized their contract with the hotel. In addition, they have spoken with hotel about honoring contract rate beyond cut-off date if the facility is below 85% occupied. This is to get ahead of some of the recent issues conferences have had securing additional hotel rooms after their room blocks have been filled. In addition, the hotel has opened up the ability to make reservations in case someone wants to make sure they get hotel reservations. They have also established a conference email to use in correspondence with vendors and ASHE members. In addition, they are working with local sections in their region who have committed to additional seed money to help them with early deposits. They are also reviewing whether they want to establish an MOU with the sections involved in the conference for distribution of profits. They have also started a preliminary website populated with limited information. They have developed a theme – “The Poconos: A Gateway to Transportation” as well as a logo to allow for them to be able to have these available for giveaways at 2020 conference. Conference shirts will likely be provided to National Board at 2020 National Conference.

2022 – The conference will be held in Columbus, OH. The conference chairs have narrowed it down to 3 hotels which they plan to visit in January. Due to the cancellation of the in person April board meeting, the hotel visit by the NCC has been postponed until later in the year. In addition, they have bank account and have received the seed money from National. They are starting to develop a preliminary conference agenda and working with previous conference hosts to look at potential sponsorship and exhibitor lists. They have a draft conference logo which the National PR committee is currently reviewing.

2023 – The conference will be held in Atlanta, GA. 2023 has already narrowed down preferred hotels and is working with NCC to do a site visit as some of the hotels are requesting that they make a decision sooner than April of next year. They are also working to get an EIN number and bank account set up.

Status of committee activities

Guidelines up-to-date – These have been updated and distributed to NCC for review/comment

Cloud access – Jim Shea from our committee is going to work on getting this information up this year.

Motion(s) to be brought before the National Board:
Resolved: None at this time.

Discussions to be brought before the National Board:
1. None at this time.

Status of Action Items:
1. Identify and provide status of existing student chapters:
   a. The Committee initiated an update in Fall 2018
   b. The survey was closed out April 1, 2019; thirty-two (32) Sections responded and the information was both interesting and encouraging. A PDF of the compilation was distributed to the Board and Regions previously.
   c. The responding Sections revealed considerable new information on student involvement of numerous kinds, including several robust student chapters of which the Committee was not previously aware.
   d. Carrie Streahle prepared the graphic below that illustrates the breadth of student chapter activity.
2. Student Chapter Conference:
   
a. ASHE@UD, the Student Chapter at the University of Delaware, hosted the first of these on September 30, 2017 and it was considered successful, with fourteen students from six universities as well as eight professional members.

b. The Widener University (southwest of Philadelphia) Student Chapter hosted the second conference on October 6, 2018 and it too was viewed as successful. Eleven students attended from five institutions (Widener University, Rowan University, Mercer County Community College, University of Delaware, and Rutgers University) and thirteen professionals attended, representing Delaware Valley, Chesapeake, First State, North Penn, Southern New Jersey, and NY Metro Sections. There was some confusion at sign in and we believe the actual attendance was just over 30.

c. The third annual conference was held October 12, 2019 at Mercer County Community College (east of Trenton, NJ). There was again some confusion with registration and the estimated attendance was in excess of 40. However, recorded registrations included 24 students representing Mercer County Community College, New Jersey Institute of Technology, Rowan University, The College of New Jersey, University of Delaware, and University of Maryland College Park. At least nine professionals were in attendance from Chesapeake, First State, North Central New Jersey, and Southern New Jersey Sections. The student leadership at Mercer County Community College did an excellent job with support from the Committee and the conference was a mix of great technical sessions, a drone demonstration, and robust networking.

   i. There is an outstanding invoice ($937.20) for the facilities and catering at Mercer County Community College. It was expected that a grant from the College would cover the cost, but there is some confusion remaining while the student leadership seeks to reconcile it. The committee will keep National advised if funding is required from this committee’s budget to address this matter. See below in budget update area.
d. A request for proposal (dated 2/13/20 and updated on 3/12/20) has been circulated twice to all Sections and Regions for the Fall 2020 student chapter conference. The deadline for submissions, in consideration of COVID-19 interruption of student schedules, was extended to April 3, 2020. Proposals will be considered from any student section, so we continue to ask that National Directors encourage a look by Sections who have student involvement.

3. Track student membership, either within or outside existing database:
   a. This information is part of the 2018 completed survey.
   b. Will continue to coordinate with the membership committee on identifying various means of capturing students after graduation and attempt to “connect” them with a local Section where they get jobs. Ongoing effort.

4. Update Best Practices for Developing and Sustaining Student Chapters:
   a. The first edition of these best practices was published February 17, 2016.
   b. The second edition was published August 30, 2018 to the website under Information and Downloads - [http://ashe.pro/downloads.html](http://ashe.pro/downloads.html). The updated guidelines were promoted to Sections and Regions in September 2018.
   c. This committee also made updates to the following documents and provided to the National website subcommittee for their update of the ASHE national website: 1) Introduction to student chapters (D27), and 2) Student Chapter Best Practices (D27a). The original student chapter guideline document was removed/replaced with the best practices document.

5. ASHE logo table cloth/skirt program implementation:
   a. Twelve table skirts were ordered at a cost of $1,381.22 (~$115.10 each).
   b. The Committee has developed criteria for when these would be issued to a student chapter (bylaws, sustainability, etc.).
   c. The table skirt debuted at the Student Chapter Conference at Widener University (2018) and was used again at the 2019 conference at Mercer County Community College.
   d. One skirt has been distributed to the student chapter at University of Delaware. Further distribution to qualifying student chapters is expected as they apply. The committee continues to advocate the National Board members to publicize the availability of this tablecloth to their Regions and Sections.
   e. A second skirt is in use promoting the relaunch of the student chapter at University of Maryland College Park as well as use with Morgan State University student chapter revitalization.

**Budget update:**

1. 2019 - 2020 Budget: $1,000 ($1,000 for student chapter conference)
2. Spent – List items and $ spent this quarter
   a. $208.28 - travel expenses for three members from Chesapeake Section to conference.
3. Current Budget Balance: $791.72
4. List any Non-Budget Items that should be considered.
   a. An additional $145.48 should be considered in the event that the Mercer County Community College grant does not cover the facilities and catering charge.
TO: ASHE Student Chapters

FROM: Matt Carter, Chair ASHE National Student Chapters Committee

CC: Members of the ASHE National Student Chapters Committee

RE: Student Chapter Conference

The Student Chapters Committee has held a student chapter conference for the past three years. They have occurred at the University of Delaware, Widener University and most recently at Mercer County Community College. The goal of the conference is to bring together students from multiple chapters in a region as well as professionals form the Committee and the various Sections.

Again, the Committee would like to host the conference in the fall of 2020. Interested chapters may submit a proposal highlighting why they should be selected to host the conference.

In our industry, potential and existing clients ask us to respond to a Request for Proposals (RFPs) on projects and this will be great opportunity for students to work together in putting together a proposal for the Committee’s review.

The Student Chapters Committee is requesting proposals from Student Chapters to host the student chapter conference which will held in the Fall Semester of 2020.

The RFP will be evaluated based on the following criteria:

• Identify the chair/co-chairs and their experience with both ASHE and other University Activities.
• What events has the Student Chapter done in the past year?
• How has the local ASHE Section supported the Student Chapter in their efforts?
• What topics does the Chapter propose to be presented at the conference?
• What University (or other) facilities can the Chapter provide?
Responses to the selection criteria must be limited to a maximum of four (4) (8 ½” x 11”) pages, typed with 12 font size or larger.

In your proposal:

• List the names of students who will be involved in the planning of the conference and who will lead the effort. [The responding Student Chapters will be required to provide resumes of the members who will be actively involved in preparing for the conference.]

• Include any details you have worked out or anticipate, such as a proposed date (considering various universities Homecomings, Parents Day, etc.), a venue, an agenda, etc.

• Provide a budget (feel free to contact Matt Carter with some insight on previous conference budgets) and the source of any funds you may be able to access from your university or local ASHE Section.

Agendas from the previous conferences are provided for your reference.

Please submit your proposal in PDF format by **Friday, March 20, 2020** to Matt Carter, Chair Student Chapters Committee, by e-mail at matheu@udel.edu.

Any questions regarding this proposal can be sent by e-mail to Matt Carter by **Friday, March 6, 2020**. Questions that are received after this date will not be answered.

Motion(s) to be brought before the National Board:

Resolved:

Discussions to be brought before the board

- Jen Newman of Elevate Marketing Advisors (and the PR committee) has offered to do 3 free webinars to our national membership – based around client relationships – suggest we move forward with this – it is no charge. (could be sent out via sendinblue).

Activities (cumulative report):

a. ASHE Booth
   1. Maryland Quality Initiative (MdQI) – Jan 21-23
   2. Albany Section – Feb 13-14
   3. TMACOG Transportation Summit – March 27 – cancelled event

b. Logo & Message
   i. New tabletop pull up banner ordered – can be place on floor or table – more height and visibility
   ii. Stacked logo in production for easier embroidery on shirts
   iii. Branding guidelines now on website in resource directory
c. Section/Region Coordination
   i. Moving forward after next PR call - each member has 7-8 Sections to coordinate with on:
      1. Social Media needs/sharing
      2. PR questions & booth needs
      3. General PR guidance/raising profile of section nationally
      4. Membership Spotlight campaign
         a. Highlight New Members
         b. Highlight Long-Term Members
   ii. Convert photo link to google docs and launch section/region coordination effort
      1. Organized folders by Section – links sent to PR committee
      2. Training for Sections on how to upload
      3. Brainstorming best repository – inquiring with scanner methods and potentially using Quarterly requests for information from Nancy to eliminate too many emails

d. Social Media Campaign
   i. Gaining momentum with more local Section/activities sharing
   ii. Social media report (+ = increase from May 2019) – GOALS reached! Over 100 followers on the three main platforms – LinkedIn, Twitter and Facebook
      1. LinkedIn: 625 followers
         a. + 401 followers
      2. Twitter: 168 followers
         a. +43 followers
      3. Facebook: 104 likes | 115 follows
         a. +38 likes
         b. +42 follows
      4. Instagram: 15 followers
         a. +15 followers

e. National Exposure
   i. Waiting on Outreach Committee for Share of Budget - ENR – working with Michael Hatherill for pricing in newsletter (conference & general)
      a. Pricing is $1,150 for bottom banner of national newsletter
      b. 25.66% open rate; 62,700 distribution
   ii. To be drafted this week - Zweig White – working with Sara Parkman for a quarterly story in their publication – can be centered around: ownership transition, diversity/inclusion, marketing/BD, culture, benefits, technology, work-life balance/burnout, strategic planning, etc.
a. Newsletter goes out every Monday – sent to 9,000 people with an open rate of 15%-20%

b. Website receives 12,000-16,000 page views per month

f. Committee Collaborations
   i. Operations and Oversight
      1. Social Media Training added into Section Training Program (Jen Newman leading)
   ii. Partnerships
      1. Ad for IBC conference – geared toward 2021 conference
   iii. New Sections
      1. Coordination for new Middle Tennessee logo, materials for section
      2. Coordination for new student section logos for University of Maryland and Morgan State University
      3. New document with year in review and overview of ASHE Combined – in progress

g. ASHE Store
   i. ACTION: Creating an e-blast to notify sections/membership – still to be done – to be sent out via sendinblue

h. National Conferences

DO WHAT YOU DO BEST AND LEAVE THE REST TO US
Jen Newman, CPSM
Principal
Elevate Marketing Advisors

Jen draws from her 20+ years of A/E/C-industry experience to help firms grow their people and profits. With a firm belief that business development is everyone’s business and a mantra that growth begins where the comfort zone ends, she drives her clients to create successful business development plans and through training, pushes them out of their comfort zone to convert them into rock star doer-sellers, marketers, and business developers who accomplish plan goals.

As Elevate’s official “Energizer bunny”, Jen understands that the best results come from engagement during training and facilitation using real examples with action items, and methods of accountability to ensure learning is extended to implementation, creating competition, and just having plain old fun! Her degree in Organizational Management and Development coupled with her background in marketing, business development, and firm leadership has equipped her to help raise a new generation of firm leaders that are confidently and enthusiastically helping their firms grow.

Throughout her career, Jen has served in leadership positions for industry, community, and client organizations. In 2020, Jen was appointed to the Tamarack Grove Engineering advisory board. With a storied history serving the American Society of Highway Engineers (ASHE) by forming the first Texas section, Jen is currently a member of the national public relations committee. As an engaged member and advocate for the Society for Marketing Professional Services (SMPS), Jen has served in many roles at the local, regional, and headquarter level. Most recently, she has been working with the Society and the Regional Conference Task Force to share ideas, provide feedback on conference planning, elevate the attendee experience, and facilitate the Regional Conference Summits. Other past organizational and community involvement includes: APWA, WTS, TEAM FL, North Florida Business Alliance for Advancing Transportation, Support Our Port Community Campaign, Rotary, and YMCA.

Report Period: January – March 2020

Meetings held since the previous Periodic Report:
1. Date: 03/05/2020 Members in attendance: Cipriani, Carriker, Carter

Planned Meetings:
1. Date: TBD Noon WebEx

Motion(s) to be brought before the National Board:
Resolved: None at this time.

Discussions to be brought before the National Board:
1. The lack of reporting by Sections this year is alarmingly high, or at least the three-year trend threatens the legitimacy of the Professional Development Certification Program. The Board of Directors asked that this self-certification program be established, after considering other national services such as IACET and RCEP (each with considerable cost and onerous compliance requirements that we felt the Sections would reject) to better ensure that PDHs or CEUs issued in ASHE’s name would be accepted by state licensing boards. The program was designed to be as non-intrusive as possible while still demonstrating national level due diligence that would likely satisfy auditing boards. Annual reporting by Sections is a critical element of the program’s veracity. The Committee has exhausted its authority and looks to the Board of Directors to consider next steps to address the trend for reduced reporting by the Sections.
   a. Should the National Board of Directors take a more affirmative stand to support the program?
   b. Should the National Board of Directors direct any non-reporting Sections to cease and desist use of ASHE’s name and/or logo in any issuance of continuing education certificates it may be issuing?
   c. Should the Program be replaced with a subscription to IACET, RCEP, or other program?
   d. Should a national level Program of oversight be abandoned altogether?
Status of Action Items:

1. Maintain appropriate records to ensure that ASHE programs and sessions meet the requirements for professional certification in the various states. Ensure that sections likewise maintain records appropriate for their states. Review Section and/or Region data on PDH issuance and summarize to the National Board:
   a. Data collection for calendar year 2019 began December 4, 2019 with a notice from Nancy Morisi to all Regions and Sections with a request that all Sections report no later than January 31, 2020.
   b. As of February 26th, twenty-four of forty-three Sections had not reported at all. Therefore, Matt emailed each Section individually with an appeal to their President and Secretary to provide the requested information. Currently, thirteen Sections have not reported at all.
   c. Attached to this report is a compilation of all Section reporting for calendar year 2020, detailing session topics and speakers. The Committee proposes to circulate the compilation, as has been done in past years, to the Sections for their use in generating program topics going forward.
   d. Also attached to this report is a year by year summary of reports by each Section. This summary is concerning on several fronts.
      i. The upward trend of Sections ignoring this annual requirement (5 in 2017, 9 in 2018, and now 13 in 2019) undermines the authority of the national organization to protect its reputation for the benefit of all members.
      ii. Six Sections that have previously reported issuing PDHs in ASHE’s name and the National Conference have not reported for 2019, a requirement under the self-certification program.
      iii. An estimated 2,900 contact hours cannot be reported for 2019. The Committee has modeled 2019 based on past year’s reporting and believes that the true issuance is approximately 12,500 contact hours (which would be an 11% increase from 2018), but far too much data are missing to confidently establish that.
   e. The table below summarizes the results of the first four years of the program (CY 2016 being a partial reporting year). A conservative value of $50/PDH is used to estimate the value produced to membership.

2. Develop and maintain policy documents to provide guidance to Sections with respect to professional development:
   a. With three full years and a partial year having been completed, the Committee is better situated to evaluate how Sections are providing continuing education and the adequacy of their record keeping and compliance with the Professional Development Certification Program. However, with thirteen Sections not reporting this year, the Committee is more hampered in these efforts.
   b. Committee will continue to solicit/advocate that Sections, Regions, and the National Board of Directors monitor local licensing board rules and regulations that may have an effect on the ASHE guidelines for future edits/updates. The National Board of Directors can be an effective tool for conveyance of this information as well.
      i. Reminder: The Board/Regions/Sections are our eyes and ears in this matter so please monitor in the various states/geographies and advise this committee if changes occur.

Budget update:

Activities & correspondence

- Served as chairman of the Nominating Committee. Refer to that report for details.
- Prepared the attached omnibus motion for the board's consideration regarding the likely absence of a National Conference in June.
Omnibus Resolution regarding the postponement of the 2020 ASHE National Conference

Whereas:

As the result of extraordinary and emergency circumstances brought about by the COVID-19 virus outbreak, the ASHE National Conference is delayed beyond the normal time frame for the National Conference and Annual Membership Business Meeting,

it is therefore resolved:

That the following individuals be considered as installed for each individual's respective term of office effective June 1, 2020.

Officers
- Stan Harris (*TRIKO Valley*) .................................. Second National Vice President
- Leigh Lilla (*Tampa*) ....................................... First National Vice President
- Tim Matthews (*Georgia*) .................................. National President
- Michael Hurtt (*Albany*) ...................................... Immediate Past National President
- Tom Morisi (*Altoona*) .................................... National Secretary
- Frank O'Hare (*Central Ohio*) ............................ National Treasurer

Three-year directors
- Rob Prophet (*Delaware Valley*) ......................... National Director - Northeast Region
- Michael Bywaletz (*Carolina Piedmont*) ............. National Director - Mid-Atlantic Region
- Scott Jordan (*Georgia*) .................................. National Director - Southeast Region

Two-year directors
- Frank Bronzo (*Cuyahoga Valley*) ..................... National Director - Great Lakes Region
- Donato DiZuzio (*North Central New Jersey*) ...... National Director - Northeast Region
- Jason Hewatt (*Georgia*) ................................ National Director - Southeast Region

One-year directors
- Kathryn Power (*Pittsburgh*) ............................ National Director - Northeast Region
- Roger Carriker (*Chesapeake*) .......................... National Director - Mid-Atlantic Region
- Jim Shea (*Lake Erie*) .................................. National Director - Great Lakes Region

It is further resolved:

That Article III, Section 2, paragraph 8 be suspended for calendar year 2020.

and further,

that the required reports described in this section be distributed to the membership in a manner determined by the National Secretary by May 29, 2020,

and further,

that the words "the Annual Membership Business Meeting" in Article IV, paragraph 7 be replaced with "May 31, 2020"

and further,

that Article V, sections 8.e and 9.e (dealing with the Secretary's and Treasurer's reports being presented at the annual meeting), be waived for the calendar year 2020

and further,

that the words "... the general election at the Annual Membership Business Meeting" in Article IV, paragraph 8 be replaced with "May 31, 2020"

and further:

That Article IV (dealing with contested races), paragraph 9 be waived for the calendar year 2020.
Omnibus Resolution regarding the postponement of the 2020 ASHE National Conference

It is further resolved:
That until December 31, 2020, Article V, paragraph 4 (dealing with the start of officers' and directors' terms) be replaced as follows:
The term of office shall begin at the close of the Annual Membership Business Meeting each year at which the officers elections are announced, [on June 1, 2020.] and shall continue for the period stipulated above or until a successor is elected or appointed.

and further:
That Article VI, paragraph 3 (dealing with the timing and coordination of the Annual Membership Business Meeting) be suspended for calendar year 2020.

and further:
That, in Article VIII, paragraph 1, (dealing with committee assignments) the words "...the Annual Membership Business Meeting" in Article IV, paragraph 7 be replaced with "May 31, 2020"

and further:
That all changes described herein expire and are null and void on December 31, 2020.

-end-
Omnibus Resolution regarding the postponement of the 2020 ASHE National Conference

Commentary,

All these changes are temporary, and expire on Dec. 31, 2020, allowing a late or even very late conference.

These changes, in essence, make the need for an Annual Membership Business Meeting moot.

They eliminate the need for a physical installation for the new board members to serve. The new term for each individual will start on June 1, 2020, to coincide with the fiscal year.

It does **not** eliminate the ability of a member to make an additional nomination (Article IV, paragraph 8). However, I don't recall any such nominations in my terms on the board.

It allows the conference to take place at any time during the year (Article VI, paragraph 3) and unties the Annual Membership Business Meeting from the conference.

It provides for the required Secretary's and Treasurer's reports to be published to the membership without an Annual Membership Business Meeting.

It replaces the text "Annual Membership Business Meeting" with "May 31, 2020" or "June 1, 2020" as appropriate.

REGIONAL REPORT
Great Lakes Region
Regional Directors Quarterly Report
(January 2020 – March 2020)

President: Kirsten Bowen Knbowen@mbakerintl.com
Vice President: Vacant
Secretary: Jim Shea jshea@trcsolutions.com
Treasurer: Julie Burkert joogeb@hotmail.com

Activities:
• Great Lakes Region held a board meeting on 1/29/2020 that included the following summary:
  • Alternate Designations – Great Lakes Region is trying to improve participation from the sections at GLR quarterly meetings by asking for Region Reps to assign alternates.
  • Jim Shea has recently had a difficult time receiving section reports from the Bluegrass and Central Dacotah Sections. He now has correct contact information and reports should start up.
  • A motion was made by Stan Harris and second by Jim Shea to sponsor the 2020 ASHE National Conference in the amount of $400 for a half page advertisement.
  • Stan Harris and Frank Bronzo provided a National update that included Region restructuring, 2023 National Conference selection, insurance policy updates, new section updates (Tennessee Valley) and modifications to membership forms on the website.
  • Circle City restart and Detroit are still in beginning stages of kicking off – ongoing coordination.
  • Rachael McNutt is working with Amanda Schumacher and Mindy Sanders on GRL website updates that are currently in progress. The goal is to have the website running with basic information by March. http://greatlakes.ashe.pro/
  • National Second Vice President: The GLR’s nomination of Stan Harris as ASHE National Second Vice President was accepted by the National Board. Stan Harris will be vacating his 1-Year National Director position and the GLR will need to fill the positions.
  • Based off the results of the survey and discussion at the 10/28/2019 GLR meeting the above recommendations were made to streamline committees for the GLR. New Sections and Student Sections under MEMBERSHIP, Scanner and Website under PUBLIC RELATIONS, Budget/Audit and Fundraising into FINANCE
  • Newsletter - Additional conversation was held about the development of a GLR newsletter. It was determined that the quarterly Section reports in combination with website updates will provide adequate information sharing between Sections.

REGIONAL REPORT

All eight Sections in the Mid-Atlantic Region continued their programs/events through the Winter of 2020. The sections continue to administer PDH’s and issue them to attendees of the technical sessions. Good guest speakers and PDH issuance is one of the primary draws that has been attracting meeting attendees.

Overall membership in the ASHE is about the same. Seven (7) of the eight (8) Sections either had no change or minor increases in membership numbers reported. One (1) Section had a slight decrease in their membership count. Through the Mid-Atlantic Region calls, Sections were reminded of National’s goal of increasing membership by 10% this year and that they continue to work towards attracting new members.

During the 1st quarter, we had 3 Region BOD conference calls (1/24, 2/20, and 3/20). Calls focused on: nominating members for the Young member of the year, Pearson award and life time achievement awards; selecting project of the year award nominations; discussing the establishment of a new Section in South Carolina; monitoring the budget for 2019-2020; and discussing methods to promote the 2020 National Conference in Raleigh, NC. The following individuals were nominated for member awards:

- Pearson Award – Dr. Gene Conti (Carolina Triangle)
- Lifetime Achievement Award – Charles Flowe (Carolina Triangle)
- Young Member of the Year Award – Denila Deliallisi (Chesapeake)

The Region also nominated the following projects for the Project of the Year award:

- Under $20 Million Category - I-64 Exit 296A Ramp Realignment (Old Dominion)
- Over $20 Million Category - MD 32 Phase 1 Design Build (Chesapeake)

Ms. Nanette Fogleman who is leading the Region’s New Sections committee efforts in South Carolina reported that the ACEC-SC/SCDOT conference in Columbia, South Carolina on 12/03/2020 was a huge success. Many conference attendees stopped by the ASHE booth and were interested in learning more about the New Section being planned in South Carolina. Nanette also reported that a core committee group of 10 individuals was formed in South Carolina to begin strategic discussions for starting a new section. She also mentioned that many companies were verbally supportive to start a new section in South Carolina and had communicated her findings and discussions to the National New Sections committee. A survey of companies and prospective members was developed and results shared with the National New Section committee. All positive signs from the Region’s perspective. Our New Section committee desires to continue/maintain the momentum established in this initiative and continue to grow the “core team” in South Carolina and will continue to coordinate with the National committee moving forward. There is some concern that National is focusing their efforts on other potential and new Section areas (e.g. the new Tennessee Valley Section, Alabama, etc..) and our effort is not getting their priority/attention. We, nor National, do not want to lose momentum and already established core members’ interest in establishing a new Section in South Carolina. We look forward to National’s continued involvement, interest, and support in this effort. Thanks.

All Sections were reminded of National’s new insurance policy (liability coverage) covering all Regions/Sections/national conferences. Sections were also made aware that if there were special events,
they should get clarification from the National Treasurer about their insurance coverages or if they desire a copy of a certificate of insurance for any event that requires it.

We continued to update the list of Section and Region Officers for FY 2019-2020 and submitted to ASHE national (Nancy M). Mr. Devin Robertson, Regional Director from the Old Dominion Section has stepped down from his duties. Mr. Rhys Keller of the Greater Hampton Roads Section and Secretary of the Mid-Atlantic Region notified that he would be relocating to San Antonio, TX in April 2020. Rhys has expressed his desire to be involved with ASHE and would be deciding on his involvement in the Mid-Atlantic Region board in the next couple of months. Updating the list of Region/Section officers continues to be an on-going effort.

We will continue to provide our members ASHE leadership opportunities at the Region level through positions on the Board as well as participation with active and important Region committees. Through these activities, we hope to actively retain the leadership from the Section level and grow/foster our members’ interest at the National level via Region participation.

Financial activities during the period
The financial activity during this reporting period included issuing a check to the National Treasurer for $200 for the Mid-Atlantic Region 2020 National Project of the Year nominations. The current balance in the Region’s checking account is $25,084.21.

Meeting was called to order by Mr. Prophet at 1:04 pm EST.
Mr. Cortese conducted the roll call. A regional officer quorum was present.

Secretary’s Report
Mr. Cortese noted that minutes for the 11/14/2019 Region meeting were finalized, circulated and appended to this meeting’s invite for the 2/13/20 Region meeting. Scott Eshenaur motioned to accept minutes, seconded by Michelle Price, all voted in favor.

Other items:
- The next quarterly report due date for region sections is 3/11/2020. Outlook invites have been sent to all Section secretaries. Report template is attached to invite.
- Board changes – reminder to submit all contact information for any board position changes to the Region. Updates will be sent to National by 2/14/20.

Treasurer’s Report
Mr. Pitzer was absent, but did send in an email report. For the past period there were not income or expenses. Current bank balance is $9,110.18. Upcoming planned expense includes the 2020 National Conference advertisement. Paul McNamee volunteered to pull the advertisement together and work with Jerry for the advertisement fee.

President’s Report
Mr. Prophet delivered the President’s report:
- National Conference in Raleigh, NC (6/3/20-6/7/20): The NE Region will take out a full page advertisement. Paul McNamee will develop the advertisement and will coordinate with Jerry Pitzer for the advertisement fee.
- Volunteers are needed for the National Conference in Kalahari, PA for 6/9/21-6/13/21.
- National Award Nominations Update:
  - One nomination for ASHE Member of the Year – Richard Grubb
  - One nomination for ASHE Young Member of the Year – Patty Wardy
  - Both nominations were submitted to National on 2/10/20
- Section awards (George Hart, Gene Smith, Terrence Conner, Robert Yeager Awards) are listed on the National website. Refer to the National website for requirements/criteria.
- Northeast Region Conference Update:
  - Conference Committee meeting held on 12/11/19.
  - Discussed length of conference, time of year, location and explored costs.
  - Settled on two locations: Hershey PA and Penn St. Currently vetting venue costs.
National Report
Don DiZuzio presented the National Report. Highlights are as follows:

- Most recent National Board meeting was held in Tampa, FL from 1/10/20-1/11/20.
- National is working on a realignment plan for the southern regions and creating a Southwest Region.
- Connecticut and Buffalo, NY are potential new section development areas. Discussion centered on how National should get the Regions involved in new Section development.
- Insurance (umbrella) documents are posted on the National cloud and will cover all Section meetings/conferences/tours.
- ASHE Scanner – 2020/2021 budget is high. ASHE is looking into electronic versions as default with print being opt-in to reduce costs.
- National Board received an $11,000 profit from the 2020 National Conference in Nashville, TN.
- Rob Prophet was nominated and approved as the new NE Region National Director (3yr term).
- Next National Board meeting is April 3-4, 2020 in Columbus, OH.
- Lifetime member pins will replace cards. Email for pin requests was circulated to all NE Region Secretaries. Criteria for lifetime member:
  - 25yrs active, or
  - 20yrs active and over 60yrs old
- National Public Relations Committee discussion:
  - National PR appointees want to reach out directly to sections
  - Goal is to get a better handle on Section news for social promotion in the Scanner and social media. Sections should provide Amanda Schumacher with interesting news/pictures/announcements for the Scanner/social media.
  - Regions will be carbon copied.

Committee Report – Nominations
- National Director – Rob Prophet was nominated by the NE Region nomination committee and National approved the appointment.
- Paul McNamee is the incoming NE Region president.
- NE Region positions to be filled – Vice President and Secretary. Rob Prophet to follow up.
Committee Report - Project of Year

- Scott Eshenaur noted that there were 5 (2 sections submitted the same project) entries for the over $20M category. Vine Street Expressway from the Delaware Valley Section won.
- Scott Eshenaur also noted that for the under $20M category, 6 entries were received. The RT 30 Landslide Repair project from the Pittsburg Section won.
- The Regional winners will be forwarded to ASHE National by 2/28/20.

Committee Report - Regional Website

- Ms. Osterhout noted the Region calendar is being continuously updated.

Committee Report – Best Practices

Tim Herlihy conducted a Section website research and an email survey effort of all NE Region Sections to review/solicit best practice recommendations.

- Section websites research findings:
  - Not all Sections have their bylaws posted
  - Most Sections do have current officers posted
  - Not all Sections have a web-based payment option
  - Several Section events calendars are not up to date
  - Long Island Section website did not have any info (under development)

- In general, Best Practice Recommendations are:
  - Web-based payments for all Sections
  - Host special/celebratory/joint events to boost membership and attendance
  - Consider strategic pricing to encourage students/government officials
  - Presentations should offer PDHs

Scanner Articles

- Next scanner article due to National on 4/15/20 and should be sent to the Region in advance of this date. Articles are due from the following Sections: Clearfield, Delaware Valley, Harrisburg, Southwest Penn.

Section Reports/Events

General Notes: all sections should bring paper ASHE membership applications to all meetings (easy way to get new members to sign up). All sections should include the National Board Members and their National Director on all program invites.
• Albany – Holding regular meetings such as Future Cities Competition, golf outing in June, breakfast at the tracks in August and a 10th Anniversary event.
• Altoona – Hosted a District 9-0 presentation in January 2020, joint meeting with Mid-Allegheny in February and will host a PennDOT D-9 workshop in April.
• Central NY – Monthly meetings planned and membership stable. Events planned include MPOs roundtable, NYSDOT update with directors and a golf tournament in June.
• Clearfield – No Report.
• Delaware Valley – Attended Future Cities event and a Philadelphia area science fair. Upcoming events include Engineers Week, joint meeting with ASCE and with NE Penn and East Penn at Kalahari on 3/12/20.
• East Penn – Joint meeting with Delaware Valley on 3/12/20 at Kalahari. Regular meetings being held every month. Golf outing planning in late spring.
• First State – No Report.
• Franklin – Max Heckman will be the New Franklin Section Representative to the Region. Regular meetings being held such as a venison dinner (144 attendees). Online payment system now active. A new scholarship honoring Shirley Stutter was created.
• Harrisburg – Regular meetings being held and membership stable. Scholarship committee gearing up to award $25k in scholarships in June. A golf outing is planned for August, PennDOT D-8/PTC conference is planned for May/April and a Past President’s banquet is planned for late May.
• Long Island – National Assessment complete. Presentation planned for mid March 2020 and 1 pdh is planned. A gold outing is being planned for the summer and the scholarship program is being resurrected.
• Mid-Allegheny – No Report.
• NE Penn – Regular meetings being held and membership stable. Currently in 2nd year of $100k endowment and program going well. Michelle Price will be replaced as Section Representative to the Region by John Baldassari (spelling?).
• NY Metro – Attendance is way up at events and monthly meetings set. Scholarships set for 2020 totaling $14k.
• N/C NJ – Electronic payment now live, 144 active members, and regular meetings being held. Section’s 30th Anniversary will be held on March 28, 2020 and is casino themed. Golf outing set for May 2020. POY joint meeting with Southern NJ set for April 2020.
• Pittsburgh – Holding regular meetings such as a clay shoot in April and a meeting at a local winery in May, and membership is stable. Currently updating by-laws; scholarship applications being reviewed.
• Southern NJ – Hosting regular monthly meetings (110 attendees at the February event). POY meeting in April (joint with N/C NJ). The ASHE student chapters at Rowan and Mercer College are looking for presentations from consultants. Anyone interested should reach out to Richard Grubb. MCCC and Rowan student chapters doing well. 7/15/20 golf outing already planned.
• SW Penn – No Report.
• Williamsport – No Report.

Closing
Next meeting TBD, but likely will occur at the ASHE National Event in Raleigh, NC. The meeting adjourned at 2:30pm.
