- **April 7, 2018 Electronic National Board Meeting:** Motion by Morisi to approve the minutes from the April 7, 2018 Electronic Meeting; seconded by Dutton; all in favor.
- **April 11, 2018 Executive Committee Meeting:** Motion by Morisi to approve the minutes from the April 11, 2018 Executive Committee Meeting; seconded by Dutton; all in favor.
- **April 11, 2018 Electronic National Board Meeting:** Motion by Morisi to approve the minutes from the April 11, 2018 Electronic Meeting; seconded by Matthews; all in favor.

IMMEDIATE PAST PRESIDENT’S REPORT: Greg T. Dutton, PE
- Mr. Dutton thanked the Board and the Committees for their support over the past year and reviewed a list of a few upcoming events he will be attending to represent the National Board.

SECRETARY’S REPORT: Thomas S. Morisi
- Secretary Morisi reviewed highlights of the written Secretary’s Report, as prepared by Charles L. Flowe, which is attached to and made part of these meeting minutes.
  - Motion by DiZuzio to approve the Secretary’s Report; seconded by Harris; all in favor.
- O’Hare reported that this meeting will be in fiscal year 2018 and that the auditors will need a copy of the meeting minutes.

TREASURER’S REPORT: P. Frank O’Hare, PE
- Treasurer O’Hare reviewed highlights of the written Treasurer’s Report which is attached to and made part of these meeting minutes.
  - Motion by Morisi to approve the Treasurer’s Report; seconded by Matthews; all in favor.
- O’Hare will provide and end-of-year report at the end of the fiscal year.

PRESIDENT’S REPORT: Richard N. Cochrane, PE
- President Cochrane reviewed highlights of the written President’s Report which is attached to and made part of these meeting minutes.
- Mr. Cochrane stated his willingness to travel and attend Section events.
- Mr. Carriker requested that Ms. Stuttler send out annual summary of actions items for Sections and Regions.
Mr. Cochrane handed out business cards which he created in conjunction with the PR Committee Chair and TNT Graphics. He stated that others in the group could also purchase cards.

PRESIDENT’S ASSISTANT’S REPORT: Shirley A. Stuttler (absent)

- The written President’s Assistant’s Report is attached to and made part of these meeting minutes.

OLD BUSINESS:

- **DFW Payment of National Assessment & Update:** Mr. Jordan feels that supporting the Houston Section would be most helpful in righting the situation with the DFW Section due to cost and logistics. Mike Zieminiski is the only person on the ground at DFW and is willing to help. Mr. Dutton recommended possibly including a Director from Texas on the National Board. Mr. Mody suggested the National Board reach out to all members prior to and planned event. Past assessments will be included in any conversations moving forward. **Mr. Jordan will set up a conference call with DFW and National to review status and assist the Section in restarting.**

- **South Florida Payment of National Assessment/Action Plan:** Ms. Lilla stated that an action plan was prepare and shared with the SE Region. However, there is no consensus on who will provide leadership at the Section level. Members of the Region were opposed to stepping in and providing leadership due to logistics. The Action Plan was not shared with the South Florida Section due to this lack of consensus. Ms. Lilla submitted another request to the Section for dues. Mr. Dutton volunteered to attend the Section’s upcoming 20th Anniversary Dinner.

- **Blanket Insurance Policy:** Mr. Cochrane reported that he is currently waiting for information and will continue his research.

- **Guidelines for Review of Section/Region Financial Performance:** Mr. O’Hare recommended development of guidelines Sections and Regions can use for review of financial procedures. **Mr. O’Hare will prepare a letter to Sections and Regions outlining guidelines for use in review of financial procedures.**

- **Job Description for Administrative Assistant:** Mr. Ridlen reviewed the history of how the position cam up as a recommendation from the Committee; reviewed the job description and recommendations contained in the report; and stated the goal is to have the person hired by January 1, 2019. Mr. O’Hare recommended the person be located close to either the Secretary or Treasurer. Cost for this position is slightly higher than previous combined salaries of Lynnell Flowe and Shirley Stuttler. **Motion by Ad-Hoc Committee to accept the process, procedures and job description for the proposed Administrative Assistant and turn this process over to the committee identified in the Administrative Assistant Document; seconded by O’Hare; all in favor. Motion by Ad-Hoc Committee to dissolve the Ad-Hoc Committee until such a committee is needed in the future; seconded by O’Hare; all in favor. The Administrative Assistant Hiring Committee is to begin the process to identify and hire and Administrative Assistant.**

- **Uploading Region/Section By-Laws to the Cloud:** Mr. Greenwood reported that he is working on this and that additional detail is provided in the attached report. **He will continue efforts to upload by-laws to the Cloud.**
• **Membership Application:** Ms. Lilla reported that she is working on this and will continue efforts to update the Membership Application.

• **Section/Region Training:** Mr. Harris noted he distributed a draft copy but received very few comments. O’Hare, Flowe, and Morisi are to provide feedback to Harris on the draft of the Section/Region training document.

• **TNT Graphics Agreement – Scanner:** Discussion occurred regarding the history of hiring TNT Graphics as well as their cost-competitiveness. Mr. Shaikh is to lead an effort to encourage more members to opt into the electronic version of the Scanner rather than the paper copy. This can be done through email, postcard or other method. Motion by Scanner Committee to approve the three-year agreement with TNT Graphics for publication of the Scanner re-dated May 4, 2015; seconded by O’Hare; all in favor.

• **TNT Graphics Agreement – 60th Anniversary History Book:** Mr. Harris reported that the book will be completed by the 2019 Conference. Motion by Operations & Oversight Committee to approve the amended agreement with TNT Graphics dated May 4, 2018 to prepare and publish the History Book; seconded by Dutton; all in favor.

• **Database Upgrade:** Motion by Technology Committee to approve JM Server Solutions proposal for code modernization of the ASHE National Database dated April 2018; seconded by Dutton; all in favor with Morisi abstaining.

• **JM Server Solutions Annual Maintenance Agreement:** Motion by Technology Committee to approve the JMSS proposal for hosting and maintenance for the American Society of Highway Engineers dated April 2018 for June 1, 2018 to May 31, 2018; seconded by DiZuzio; all in favor with Morisi abstaining.

**NEW BUSINESS:**

• **Signature Authority for National Secretary for Board Meetings:** Motion by O’Hare to grant signatory authority to the National Secretary, Mr. Thomas Morisi for Board Meetings, Executive Meetings, E-Meetings, etc., and to grant Mr. Morisi signatory authority for PNC Checking and PNC Investments accounts, and to authorize the National Treasurer to provide Mr. Thomas Morisi an ASHE Credit Card after the receipt of a signed ASHE Credit Card Memorandum Policy and Agreement within 60 days, and to authorize the National Treasurer to provide Ms. Lynnell Flowe an ASHE Credit Card after the receipt of an signed ASHE Credit Card Memorandum Policy and Agreement within 60 days, and to direct the National Treasurer to cancel the ASHE Credit Card issued to Mr. Charlie Flowe within 60 days; seconded by Matthews; all in favor with Morisi abstaining.

• **ASHE Past President Pins:** Motion by Morisi to set the price to Sections for Past Section President pins at $75; seconded by O’Hare; all in favor.

• **Rent to Charlie Flowe:** Motion by Morisi to pay Lynnell Flowe monthly rent of $275.00 until such time as the organization no longer needs her services; seconded by O’Hare; all in favor.

**COMMITTEE REPORTS:**

• **Ad Hoc:** Larry E. Ridlen, PE presenting
  The Ad Hoc Committee Report is attached to and made part of these minutes.

• **Budget/Audit:** Richard N. Cochrane, PE presenting
  The Budget/Audit Committee Report is attached to and made part of these minutes.
• **Constitution & Bylaws:** David A. Greenwood, PE presenting
  The Constitution & Bylaws Committee Report is attached to and made part of these minutes. In addition to what is presented in the report, Mr. Greenwood noted he received by-laws from the North Central New Jersey Section for review and will provide comments shortly.

• **Membership/Member at Large:** Leigh B. Lilla, PE presenting
  The Membership/Member at Large Committee Report is attached to and made part of these minutes.

• **National Conference:** Jerry Pitzer, PE presenting
  The National Conference Committee Report is attached to and made part of these minutes. Mr. Pitzer noted the NY Conference lost approximately $17,000 which included the $5,000 that was passed along to the Cleveland Conference. All losses will be absorbed by the Section so the Conference will show a balanced budget in the books. The Cleveland Conference hit their fund-raising goals and have collected all income. Mr. Morisi advised the Committee that each registrant would have to sign off on terms and conditions that allow the Conference to distribute attendee email list to vendors.

• **New Sections:** Samir D. Mody, PE and Brian O’Connor, PE presenting
  The New Sections Committee Report is attached to and made part of these minutes. President Dutton reviewed the Houston Chartering event. Mr. Mody stated that, in order to assist with efforts in Texas, the Committee is investigating having a booth at the upcoming SASHTO Conference for a cost of $4,000. They have coordinated manning the booth with local members or other members that will be attending the Conference. Motion by New Sections Committee to add $4,000 to the New Section Committee budget to pay for a booth at the 2018 SASHTO Conference; seconded by Morisi; all in favor with the exception of Carriker who voted no.

• **Nominating:** Larry E. Ridlen, PE presenting
  The Nominating Committee Report is attached to and made part of these minutes.

• **Operations Oversight:** Stan A. Harris, PE presenting
  The Operations Oversight Committee Report is attached to and made part of these minutes.
  - **Resource Center:** Shirley A. Stuttler (absent)
    The Resource Center Committee Report is attached to and made part of these minutes.
  - **Society History:** Shirley A. Stuttler (absent)
    The Society History Committee Report is attached to and made part of these minutes. Motion by Operations & Oversight Committee to add $4,000 to the Society History budget to pay for development and publication of the 60th Anniversary Society History book; seconded by Morisi; all in favor.
  - **National Project Award:** Stan A. Harris, PE presenting
    The National Project Award Committee Report is attached to and made part of these minutes. Mr. Harris noted the process went well this year and each Region was represented. All winner information is being submitted to the Public Relations Committee.
• **Outreach:** Frank J. Bronzo, PE presenting
  The Outreach Committee Report is attached to and made part of these minutes.

• **Partnerships:** Kathryn E. Power, PE presenting
  The Partnerships Committee Report is attached to and made part of these minutes. There was a discussion regarding partnership options with IBC and the considerable cost difference between the two organizations. Mr. Pitzer reported that ASHE National has been a co-sponsor of the IBC, at no cost, for several years. **Mr. Kinnee will follow up to review options for a partnership even if it does not include a booth exchange.**

• **Professional Development:** Roger B. Carriker, PE presenting
  The Professional Development Committee Report is attached to and made part of these minutes.

• **Public Relations:** Donato DiZuzio presenting
  The Public Relations Committee Report is attached to and made part of these minutes. **Motion by the Public Relations Committee to approve the logos as presented in the Committee Report; seconded by O’Hare; all in favor.**

• **Scanner:** Donato DiZuzio presenting
  The Scanner Committee Report is attached to and made part of these minutes. Mr. Shaikh requested money to fund a meeting between the Committee and TNT Graphics. Mr. Cochrane noted that he will find money in the budget.

• **Strategic Plan:** Richard N. Cochrane, PE presenting
  The Strategic Plan Committee Report is attached to and made part of these minutes. Mr. Cochrane introduced Mr. Pitzer as the new Committee Chair.

• **Student Chapter:** Roger B. Carriker, PE presenting
  The Student Chapter Committee Report is attached to and made part of these minutes. Mr. Carricker noted the Student Chapter Conference has been set for Saturday, October 6, 2018 at Widener University outside Philadelphia.

• **Technology:** Scott H. Jordan, PE presenting
  The Technology Committee Report is attached to and made part of these minutes.
  - **Website:** Ms. Sanders noted the Committee is working on an implementation schedule and will be sending out RFP’s for the new website. Mr. Cochrane stated he would like a recommendation by August.
  - **Cloud:** No additional comments
  - **National Member Database:** The responsibility for this Sub-Committee is moving to Ms. Sanders.

**REGION REPORTS:**

The Section/Region Reports are attached to and made part of these minutes.

**OTHER MOTIONS:**

- **Motion by O’Hare to recognize and commend the service of Mr. Charlie Flowe as National Secretary over the past 10 years; seconded by Dutton; all in favor.**
- **Motion by O’Hare to commend and thank the 2018 ASHE National Conference Committee Co-Chaired by Jim Shea and Kirsten Bowen and the members of the Lake Erie Section for an excellent, entertaining, and well-organized Conference in Cleveland, OH; seconded by Dutton; all in favor.**

Total Membership

This represents a net increase of 31 members since the March 17, 2018 National Board Meeting.

2. Statistical Breakdown of the Membership

- Professional Status: 58%
- Government: 12%
- Consultant: 76%
- Contractor: 5%
- Other: 7%

3. Following are the Sections with unpaid assessments for 2017-2018:

- Dallas Fort-Worth
- South Florida
- Tampa
1. Income and Expenses - Income and Expenses are shown as of 04/30/2018. See Attachment.

2. Investment as of 04/30/2018. See Attachment.

3. Cash flow - All invoices are being paid under 30 days. Invoices are not paid until approval is received from appropriate director, officer or committee chair.

4. CPA Associates has reconciled the PNC Bank statement and ledger for March and April. Copies of CPA reconciliation and National Treasurer reconciliation for FYE 2018 have been forwarded to the Budget/Audit Committee for review. CC Statement is being reconciled and statement and receipts are forwarded to the Budget/Audit Committee for review.

5. The current fiscal year ends on May 31, 2018.

6. We still need an invoice/receipt from the Doubletree Hotel in Philadelphia. The National Secretary is working on this.

7. The National Treasurer prepared an IRS response with the assistance of CPA Associates concerning IRS Letter received by several of the ASHE Sections, Regions and Conferences.

8. Stipends checks have been cut for all who meet the requirements.

9. Incorrect and un-signed expense reports are being sent back for correction delaying the issuing of expense checks. Current mileage is $0.54/mile. This rate most likely will change on January 1, 2019.

10. If a Board Member changes address, make sure you notify the Treasurer such that your expense check is sent to the new address.

11. The National Treasurer appreciates the efforts and time taken by Charlie Flowe while the National Treasurer was out of the country. Thank you, Charlie!

Motion: To accept National Treasure’s report.

8. This position will require less than 30 hours per week so will not be provided Personal Time Off (PTO) or holiday benefits

9. ASHE has no restrictions on other part time positions that the employee can hold as long as the employee is meeting the needs of ASHE
Administrative Assistant
American Society of Highway Engineers (ASHE)

Position Description:

The American Society of Highway Engineers (ASHE) is a non-profit 501(c)6 organization that promotes a safe, efficient, and sustainable transportation system through education, innovation, and fellowship. ASHE is a national organization with over 6,500 members in 42 local sections, in 17 states, throughout the United States. The leadership of ASHE consists of a National Board of Directors and Executive Officers elected from the membership.

The ASHE Executive Committee is seeking a candidate to fill the organization’s Administrative Assistant position. The candidate should be knowledgeable of the ASHE organization and the operations of a volunteer organization. The ideal candidate should have excellent oral and written communication skills and be able to organize their work using tools, like MS Excel, MS Word and office equipment. The candidate will perform secretarial, and administrative services for the Executive Committee, and shall function as the Assistant to the National President and to the National Secretary.

Ultimately, a successful Admin Assistant should facilitate the efficient and smooth day-to-day operation at the National level of ASHE

Responsibilities:

Responsibilities include, but are not limited the following:

- Maintain electronic and paper files, process mail, draft letters, etc.
- Be willing and able to travel (approximately four times per year to National Board meetings and other times as needed to meet with any of the National officers) (within the continental United States), to attend Executive Committee meetings, National Board meetings, and the annual ASHE National Conference.
- At the National Conference will be required to take meeting minutes for the Board Meeting at the Opening session, the Region Section Officer meeting, the Past President meeting and the National Board meeting.
- Assist with meeting agenda preparation and record and distribute meeting minutes and action items. This includes National Board meetings, certain Committee meetings and several organizational meetings at the National Conference.
- Track key events such as report due dates, teleconference system and WebEx usage at the Section, Region and National Level and assist in scheduling National meetings.
- Coordinate travel arrangements for the National Board.
- Coordinate/disseminate pertinent information from National to the Regions/Sections.
- Assistance to the National Secretary for tasks such as yearly membership dues assessment, Board Meeting arrangements, and award material for the National Conference.
• Process new membership applications and manage database. This includes forwarding New Member requests from the ASHE Website to appropriate sections.

• Maintain the Society's History.

• Maintain database on Region/Section officers and the scholarships given out by Regions and Sections.

• Provide other functions as deemed appropriate by the Executive Committee.

**Job Requirements:**

Candidate should have two to five years of strong administrative experience. A high school diploma is required. A Bachelor's or Associates degree is a plus. Candidate should have a working knowledge of office equipment, and a high proficiency with Microsoft Office and Excel. Experience with other pertinent software such as Quicken or Adobe Suite would be a plus. This position requires strong interpersonal skills, a professional work ethic, the ability to multitask, and demonstrated self-starter capabilities.

The selected candidate will work remotely from their own home office, and must be able to communicate effectively via email, telephone, video and audio conferencing, and must be willing to travel, as needed on occasion, to work in person with any of the National Officers. The selected candidate will be required to orally present reports to the National Board.

This is a part time position (approximately 30 hours per week).
Provide financial guidance to National Board, President and Treasurer. Ensure financial responsibility on the part of the Society. Review investment policies. Review audit as needed.

Status of past and future conferences – concerns and progress (Attach individual reports as needed)

2017 – They are still working on resolving pricing with the Sheraton but have made a good faith payment of $10K while they work things out. They had a good turnout at their follow up event on 3/15 and anticipate being able to breakeven on the conference. They did pass along a $5K gift to 2018 in early March. Wrapping up the conference report and spreadsheets and expect anytime now.

2018 – They have 97% of their budget committed by sponsorships or exhibitors and are doing well in fundraising efforts. They have sold out the exhibitor hall. They have 385 people registered as of the early bird deadline. 600 +/- of the 560 required room nights have been booked and have met their contractual quota for the hotel. All the technical speakers and key note speakers are confirmed. Due to an extremely booked Past President’s luncheon, it was decided to move the Pearson award to the Opening Session. The NCC will monitor how this goes and see if this is something that may be changed in the future. Banner forms were emailed out to National Directors in March. They have also secured insurance for the conference.
2019 – Executive committee and committee chairs are meeting regularly. They have refined their budget based on NCC comments and don’t expect to resubmit until they start making more deposits. They have finalized contracts for the Friday night event (Wild Horse music venue) and are working on securing a contract for a band on Saturday night. The logo has been finalized and they have developed a video to show at the gala on Saturday night. They have also established a twitter account to start buzz around the upcoming conference.

2020 – They have a bank account and requested the $8K in seed money. They have finalized the contract with the convention center and used most of the seed money to pay the deposit. They are working with the region who has some seed money available to as they have to start to make deposits. They have developed a preliminary budget which the NCC is currently reviewing. They have developed a logo and will have the National PR committee review to make sure there is consistency within the ASHE brand.

2021 – They have opened a bank account and will request seed money once the 2018-2019 budget is in effect. The incoming president (Dick) is planning on having the September board meetings at the hotel they want to select. Jerry from the NCC will attend this meeting as well to review the hotel and its amenities. They have also established a conference email to use in correspondence with vendors and ASHE members. In addition, they are working with local sections in their region who have committed to additional seed money to help them with early deposits.

2022 – Solicitation for 2022 conference will be sent out in the fall of 2018.

Status of committee activities

Guidelines up-to-date – These have been reviewed by the NCC and have been submitted to Craig Rock to post online

Conference insurance guidelines – This is the next initiative that the committee will take on but hasn’t started yet.

Cloud access – The NCC will work with folks to get the right credentials to be able to put up all the necessary information on the cloud this year.

Budget update (no change from last report)

1. **2018 - 2019 Budget:** $13,500
2. **Spent – List items and $ spent this quarter**
   a. $0
   b. +3,655.40 spent previously (2018 National Sponsor ship ($4000), NCC expenses for 2020 site visit ($344.60), Return of 2017 seed money ($8000))
3. **Current Budget Balance:** $17,155.40 (no change from previous report)

2017 Conference Comments (June 14-18, 2017 in New York City):

- Still working with Sheraton bill ($42K) – there was an issue with folks finding the hotel at cheaper prices other avenues than through the room block – they are still working through this issue because this is about $20K of the $42K – as a good faith effort they have submitted $10K towards their bill.
- Anticipating a $30K loss at the moment but are holding a follow up conference/event on March 15th where they anticipate raising enough to cover the loss and provide money to Cleveland conference (right now they have raised $27K in sponsorship)
- Spreadsheets and back up have been pulled together – a majority of the report is complete and hope to get to NCC prior to next meeting. Spreadsheet is being worked on by treasurer and anticipate finishing up soon.
- 2017 passed along $5K in seed money to 2018 earlier this month

2018 Conference Comments (May 17-20, 2018 in Cleveland, OH):

- Sponsorship – $161,900 committed and still waiting on one Diamond sponsor response (goal - $180K but expect to raise around $170K) – 2018 circled back around with the no responsive sections and the following are not going to sponsor this year - ASHE Dallas-Fort Worth, ASHE Long Island, ASHE Mid-Allegheny, ASHE Central Florida, ASHE Gold Coast.
- Exhibitors – 45 confirmed exhibitors (51 available booths) – National has requested booths for ACET, SMPS and JM Server Solutions which are included in the 45 confirmed.
- Golf – [http://www.fowlersmillgc.com/](http://www.fowlersmillgc.com/) Course is about 30 minutes away from downtown. 21 individuals and 3 foursomes registered (33 total golfers)
Hotel – Parking at hotel anticipated at $24/day. Looking at other options for attendees in surrounding area – 2018 has provided a parking map (similar to 2016) on website under the lodging tab. Expecting about $130K in Food & Beverage but went back to hotel to increase F&B to $75K and hotel gave a concession of 10% discount on food. Hotel has agreed to hold current food prices. Addendum for 10% concession has been executed. AV vendor reduced costs as well but contract has not been executed ($17,800) – will likely wait until programs are finalized to ensure that all the AV equipment is available. 2018 did discuss people booking outside of the block if pricing happens to be lower (ie NYC) and they said they will reference our registration list and count anyone who isn’t in the block.

451 of 560 hotel rooms booked – hotel minimums have been met – very few rooms left on Saturday and 2018 will continue to try and raise the room blocks as much as they can

Technical speakers – all speakers are confirmed and technical tours are set (Northeast Ohio Regional Sewer District, Port of Cleveland, Cuyahoga River Boar, Veterans Memorial Bridge/Subway Tour). Costs for technical tours range from $15-25

Program book – Working on getting ad information, program book is about 50% complete

Scanner ad – submitted but publication of scanner was delayed due to Tammy’s accident. 2018 has been working with Charlie to send out email blasts and mailing out hard copies of the forms to those that request it.

Key note speakers and Friday lunch speaker’s ideas confirmed - Brandy Hendrickson, Acting FHWA Administrator will be the key note speaker. 2018 is working on back up if needed. Cleveland story teller for Friday event.

Guest tours – tours are all listed on website and are starting to fill up. 2018 will monitor the ones with little to no interest and adjust accordingly.

Insurance – received a quote of $1700 including liquor liability

Transportation – contract is completed but updating based on tour timing and other programs that require buses. 2018 working with National regarding transportation needs for National Board members

Friday night event – RRHOF – contract finalized

Saturday Night event – Game show – contract is completed.

2018 has sent in nominations for Pearson (Chris Runyan) and all other awards (Lifetime Achievement, MOY, YMOY, POY award). Project of Year awards were also named on 3/26/18. This information will be supplied to 2018.

Friday Luncheon – Future discussions on how to fit in the award winner presentation into luncheon

Banner form – emailed out on 3/19/18 to National Directors

Meeting with incoming/outgoing presidents to discuss all the schedules of major events held on 2/27

2019 Conference Comments (May 8-12, 2019 Nashville, TN):

• Executive committee and committee chairs are starting to meet monthly
• Preliminary budget reviewed by NCC and 2019 is revising and will submit prior to next meeting
• Golf – Gaylord Springs Golf Links – about 5 minutes from hotel – will be held on Thursday am. 2019 has a draft contract – breakfast and lunch will be available at the course.
• Friday Night event –Wild Horse (music venue) – contract completed
Saturday night event – coordinating with some bands to play – hoping to lock this down in next few months
Logo has been selected and will be distributed to NCC
Video for Gala is complete and working on determining swag items

2020 Conference Comments (June 3-6, 2020, Raleigh, NC):
- Have a bank account established and have received $8K in seed money
- Committee chairs have been established and key committees are up and meeting regularly.
- NCC approved hotel at September board meeting. Contract has been executed with the hotel and deposit for convention center ($7K) has been put down. 2020 plans to ask for a loan from the region to allow for more deposits to be put down since this was a bulk of their seed money.
- Logo has been determined and will send to NCC to send to PR committee for review.
- Have developed a tentative conference schedule and have sent a preliminary conference budget (assuming $220-250K) to NCC for review.
- Sponsorship committee is starting to develop the levels for sponsors and anticipate nailing down these levels in early 2018.

2021 Conference Comments (June 16-20, Poconos, PA):
- Checking account has been set up and a treasurer has been named
- Some additional committee chairs have been established
- An email address has been set up for conference related correspondence - 2021conference@ashe.pro
- The NCC will visit the hotel in Fall 2018 (likely in September by Jerry)
- Three local sections in the NE have committed to providing $1000 each in seed money to the conference

Other:
- Draft guidelines have been reviewed by NCC and Nikki is working on revising so these can be available soon. One item that needs to be addressed is insurance requirements 3 years out – this likely needs to be resolved in guidelines vs. action plan.
- NCC is working on a list of things paid for by National or items that are free
- NCC is working on getting common information up on the ASHE cloud (server.ashe.pro). Once this is complete, each conference chair will need to request log in information. Nikki will request log in information for NCC.
- Continuing to look at non-profit status for 2018 (this has also happened in 2016)
- Pearson Award winner – NCC is considering recommending this as a potential reimbursement from National instead of having the conference handle this

Next Conference Call:
- April 17th at noon

2017 Conference Comments (June 14-18, 2017 in New York City): No report given – information below is still from March

- Still working with Sheraton bill ($42K) – there was an issue with folks finding the hotel at cheaper prices other avenues than through the room block – they are still working through this issue because this is about $20K of the $42K – as a good faith effort they have submitted $10K towards their bill.
- Anticipating a $30K loss at the moment but are holding a follow up conference/event on March 15th where they anticipate raising enough to cover the loss and provide money to Cleveland conference (right now they have raised $27K in sponsorship)
- Draft reports have been received by NCC and final reports and spreadsheet are being compiled
- 2017 passed along $5K in seed money to 2018 in March

2018 Conference Comments (May 17-20, 2018 in Cleveland, OH):

- Registration - http://2018conference.ashe.pro/ - Early Bird closed with 385 online registration and an expected 15 hard copy registrations. So right around 400 as of 4/14/2018. Registration expected to close on 5/4
- Sponsorship –$175,900 committed (almost goal) – Budget was updated to include ACTUAL sponsorship money and an estimated 525 guest (worst case since we lose money on each guest) and we are tracking ahead. Goal met.
- Exhibitors – 51 confirmed (sold out) – NCC will need booths for ACET, SMPS and JM Server Solutions – all have been invoiced to National. National has paid all invoices.
- Golf - 37 individual golfers and 6 foursomes about 61 total. Expecting around 100 golfers, once Cuyahoga Valley folks finish registering.
• Hotel – 10% concession addendum executed and working to get AV contract set up now that there are more known ideas of what is needed.
• Hotel – 600+/- of 560 rooms reserved so have met hotel quota and then some – hotel can add rooms for Wednesday and Thursday as necessary but Friday and Saturday are sold out.
• Banner form sent out to sections on 3/19
• Technical speakers – all speakers confirmed – any other updates? technical tours – all 4 are confirmed (Northeast Ohio Regional Sewer District, Port of Cleveland, Cuyahoga River Boar, Veterans Memorial Bridge/Subway Tour) – NEORSD tours are small now 2 in the AM and 3 in the PM. They will likely get to 5 which will be a GO. Everything else is a GO and booked.
• Program book – went to printer on 4/27
• Scanner ad – due to the scanner being delayed due to medical issues with Tammy, forms were sent via emails coordinated with Charlie. One was sent in mid March, one was sent the week of early bird and one before closing registration.
• Key note speaker – Brandye Hendrickson FHWA is confirmed for Friday morning speaker – Cleveland storyteller will be used for Friday luncheon. All speakers are confirmed – any additional items needed from National regarding agendas for Friday morning, lunch and Saturday night?
• Guest tours – pricing and tours have been determined. The bike tour and arboretum have 0 registrants. Will decide soon on cancelation (prior to program printing). Everything else has 5 or more and are a GO.
• Saturday night event – any updates that we need to discuss? Need to coordinate seating with Shirley.
• Transportation – contract is finalized and working on maybe reducing needs based on registration numbers.
• Insurance – Quote was received around $1,700 including the liquor liability, seemed reasonable.
• Pearson award and other awards submitted to National – these have all been determined (and 2018 is working with winners to make arrangements as necessary. Pearson award will be moved to Friday morning opening session for this year. Working on getting charity from Pearson winner.

2019 Conference Comments (May 8-12, 2019 Nashville, TN):
• Preliminary budget being revised but no major changes so don’t anticipate resubmitting to NCC at this time.
• Golf – location finalized – Deposit made. Waiting on contract to be returned. Gaylord Springs Golf Course is less than 5 minutes from hotel.
• Friday night event – Wildhorse Saloon – Contract signed. The balance of our deposit is due Aug 1, 2018.
• Saturday night event – Band will be Farewell Angelina as long as we can get the contract worked out. www.farewellangelinamusic.com or https://www.youtube.com/channel/UCElcheVu86bhbnXyil5SVWg
• Video is completed and assume you have determined your giveaways (to be available at the booth) – The give away will be a conference cornhole set.
• Twitter account to push out content for the 2019 Conference. @ASHE2019. They intend to push out Nashville teasers and information throughout the year leading up to the conference in Nashville.

2020 Conference Comments (June 3-6, 2020, Raleigh, NC): No report given – information below is still from March
• Have a bank account established and have received $8K in seed money
• Committee chairs have been established and key committees are up and meeting regularly.
• NCC approved hotel at September board meeting. Contract has been executed with the hotel and deposit for convention center ($7K) has been put down. 2020 plans to ask for a loan from the region to allow for more deposits to be put down since this was a bulk of their seed money.
• Logo has been determined and will send to NCC to send to PR committee for review.
• Have developed a tentative conference schedule and have sent a preliminary conference budget (assuming $220-250K) to NCC for review.
• Sponsorship committee is starting to develop the levels for sponsors and anticipate nailing down these levels in early 2018.

2021 Conference Comments (June 16-20, Poconos, PA): No report given – information below is still from March
• Checking account has been set up and a treasurer has been named
• Some additional committee chairs have been established
• An email address has been set up for conference related correspondence - 2021conference@ashe.pro
• The NCC will visit the hotel in Fall 2018 (likely in September by Jerry)
• Three local sections in the NE have committed to providing $1000 each in seed money to the conference

Other:
• Draft guidelines have been reviewed by NCC and have been submitted to National to post on website. Action plan will be the next item up for review compared to the changes over the years made in the guidelines.
• NCC is working on getting common information up on the ASHE cloud (server.ashe.pro). Once this is complete, each conference chair will need to request log in information. Nikki will request log in information for NCC.
• Continuing to look at non-profit status for 2018 (this has also happened in 2016)
• Pearson Award winner – NCC is considering recommending this as a potential reimbursement from National instead of having the conference handle this

Next Conference Call:
• TBD in July or August
Conference Reports
2017 ASHE NATIONAL CONFERENCE COMMITTEE

Monthly Report May 2018

1. We held a half-day breakfast seminar in March. Between sponsorships and attendees, we raised sufficient funds to put the National Conference in the black.

3. Conference final narrative report is being finalized.
Activities to Note Since last Report:

Committee Reports/Activity

Financial (Jamie Scott)
- Account Balance – $184,562 (4/4)
- Cash Flow Report is keeping pace with the budget, this is good.
- There is over $30k in outstanding commitments. Jamie is leaving it up to Ryan (sponsorship), Jeff (exhibitor) and Jim (Sections) to follow up on unpaid commitments.
- Budget updated on 3/26 – Kirsten, Jamie, Jim. Jim will be reaching out to committees prior to this meeting with questions regarding to their portions of the budget.
- April budget update needs to be scheduled week of 4/23 prior to 4/27 food selection deadlines. Kirsten, Jamie, Joanne, Derek, Jim. Jim to coordinate scheduling meeting. Likely on 4/27.
- Jamie worked with National Treasurer, Frank O’Hare, regarding organizational compliance with the IRS. All necessary and requested documentation has been submitted to the IRS.
- Jamie needs responses on upcoming deposits/expenses. Jim will review and provide updates, he will also ask committee chairs to review.

Program (Kathy Johnson)
- Program Book Update – Kathy is working on various portions of the program book and providing applicable sections to the respective committee chair as complete for comments. Please make it a priority to meet the dates that Kathy provides when you are sent your section. Kathy will included Kirsten and Jim with the committee chair reviews. Important dates include:
  - 4/30 – Program Book will be submitted to NE Blue for printing.
  - 4/27 – Last day Kathy will accept advertisements. Any advertisements that come after this date will not be included.
  - 4/23 – Final draft will be provided to the committee chairs for final review.
- Kathy does have an outline of the entire program book posted on DropBox. Jim will review.
- Guidebook is being developed and will generally follow the development of the program book.
- Kathy has provided Jim and Kirsten revised detailed event scheduled for Opening Session, Past Presidents Lunch and the Banquet. Jim is waiting on confirmation that Pearson Award will be given to Chris Runyan prior to send to National for review to ensure he can make it to Opening Session to receive the award.

Entertainment/Guest Program (Joanne Shaner)
- Slow registration numbers 0 for bike tour, trolley and arboretum – single digits for the rest except brewery 12. Not worried, they will pick up and small groups are OK. We may be able to cut the large bus for PFHOF. We will keep a close eye on this as registration progresses.
Facilities (Derek Johnson)

- Room block updates – Westin is able to easily provide additional rooms on Wednesday, Thursday and Friday as necessary. We were able to get an additional 12 rooms on Saturday. The overall block is over 95% full, about 500 room/nights. As Saturday continues to fill Derek will coordinate with the hotel to increase the block if they can.
- 5/11 Committee Chair Westin walk through. Committee chairs and necessary membership should be in attendance.
- Derek is coordinating the key card sponsorship. $1300 is the approximate pricing, which is more than budgeted.
- Derek and Ben are working on Hospitality Sponsors, trying to leverage the after conference thank you party for donations. Ben provided budget without any sponsorship and it was about $6k.
- Section Banner shipping instructions sent to National.

Registration (Sean Milroy)

- Registration Total = 253 (4/4)
- Sean has received a few registration questions and has helped those people through the process. Generally going pretty well.
- Lanyards will be purchased in April.
- Committee has method for name tags and tickets, using standard Avery templates. Will likely print locally. Sean will be engaged in the conversation.
- Backpacks – Kirsten and Jim will look at them before ordering. We will provide Sean direction before 4/1, likely following the 3/26 budget update.
- Destination Cleveland Table will be set up near the stairs at the Westin.
- “Bag Stuffing” will be either Tuesday afternoon or Wednesday morning – depends on when we can get into the hotel. Still waiting confirmation from committees on what needs to be in the bags.

PR (Rachael Weiss)

- Brief signing update
  - Plan view layouts have been developed for signs.
  - 7x3 pull up signs will be the preferred signs.
  - Expected 13 signs at Westin needed – Jim will work on template to get to Kirsten to start developing graphics.
- PR/Program meeting with printer scheduled for 3/16.
- Following printing meeting Jim and Rachael will work on a budget update.
- Jim will coordinate polo order once the volunteer sheet is complete.
- Rachael will coordinate business card handouts for all technical and guest program tours. Jim will provide hotel room key template for mark up and return to Kirsten to finish graphic.
- Rachael ordered pens that will be included in the registration packages. Notes pages will be included in the program book and pen will be provided.
- Rachael will coordinate gift baskets with known vendor. Keep in mind that the Presidents may be coming in on a plane. We will likely create the basket and have it shipped back to the President’s address, so we don’t have to limit the items.
- Will likely have small hospitality give away. Rachael to start looking at options.

Sponsor (Ryan Smalley)

- Total Committed Sponsorship = $170,250 (4/4)
- Committee is working hard to hit the $180k goal and has developed a short list of remaining firms that could potentially accomplish this.
- Advertisements were due on 3/15. Ryan is only missing about 11 Consultant Advertisements. Jim is coordinating with the Sections – about 27 Sections have submitted and about 9 are still missing.
• Only 6 Sections have not committed to sponsoring the conference. ASHE Dallas-Fort Worth, ASHE Long Island, ASHE Mid-Allegheny, ASHE Central Florida, ASHE Gold Coast – likely no luck with these Sections.

Exhibit (Jeff Hill)
• Total Committed Exhibitors = 47 – this includes
  o 3 Holds for ASHE partnerships and 2019 conference.
  o 4 remaining booths.
• Jeff has sent out all registration codes to paid exhibitors.
• Jeff and Macen have completed their email responsibilities.

Technical (Bonnie Tieuwen)
• Program information – the only missing information is speaker information for the technical tours. Bonnie will coordinate.
• The most recent technical session/tour information can be found in the following location and is updated anytime there is a notified change. \00 ASHE Conference Chair\09 Program Information\Final Technical Sessions and Tours Summaries
• Bonnie asked for a list of speakers that are not yet signed up. Jim to work with Registration on providing a list. All speaker who are not signed up should be sent a reminder, as the hotel block is filling up fast.
• Cleveland Story teller needs a chair (nicer) to sit in during his presentation and also needs a table in the back of the room for a small display.
• PPT presentations are due at the end of April from the speakers to the moderators.
• Kirsten provided update on Brandye Hendrickson – she spoke with her PR person who is in the process of developing her remarks. They provided confirmation that she will be in attendance.
• Jim working on speaker gifts, these items will remain in the technical budget.
• PDH form and certificates are being developed. Bonnie to let Jim or Kirsten know if she needs any assistance.
• All technical tours are booked – Bonnie to confirm pricing for Detroit Superior Bridge.

Transportation (Valerie Shea)
• Transit passes – Valerie will follow up with RTA again this week.
• Valerie will provide pricing difference between large and small buses. Large bus may not be required for PFHOF.
• Valerie will inquire about food/drink bus policies at her pre-conference meeting with the vendor.
• Valerie will inquire about bus staging for east end of the Detroit Superior Bridge at her pre-conference meeting with the vendor.
• Jonathan Hren is working to determine exact location for boarding the Holiday Boat for the Bridge Tour.
Golf (Cuyahoga Valley)

- Kyle to provide Jim and Rachael with a draft rules sheet that will go on the golf cart. This sheet that will need printed, will include such things as rules, skill prize holes, prizes and (at minimum) golf cart sponsor. If there is room, maybe all the golf related sponsors. I will have this to Jim no later than next week.
- Jim and Kyle to coordinate cart log on the pairing sheets as well.
- My committee will coordinate 4-somes when the information is provided from the conference.
- Need to determine the door prizes (amount and how to pay for).
- Need to finalize the giveaway bags (what items and how to pay for-hopefully some companies with stuff for their booths can contribute, but do not want too much stuff).
- PR working on golf ball purchase.
- 14 individual golfers and 2 foursomes registered 3/14.

Next Items to Note on the Horizon:

Notable items that need to be competed in the near future include:

- Outstanding payments – Jamie/Ryan/Jeff – Follow up on missing payments about $42k outstanding.
- Sponsor Advertisement – Ryan – reminder emails for advertisements.
- Last 20 sponsors including Contractors – Jim/Kirsten/Ryan

COMMITTEE STATUS REPORT

NEW SECTIONS COMMITTEE

Identify potential new sections, by identifying local champions and/or transferred ASHE members. Encourage, support and promote new sections. Ensure that new sections have the resources, support and training they need to be successful.

Committee Members E-Mail Date: 5/12/18
Tim Matthews, Co-Chair tmatthews@dot.ga.gov Report Period: 5-20 NB Meeting
Sam Mody, Co-Chair smody@keller-engineers.com

Meetings held since the previous Quarterly Report

1. None

Motion(s) to be brought before the National Board:

Resolved: None

Discussions to be brought before the board

1. We still need to formalize the Board’s position on the “seed” money afforded to new sections. Will this be treated as a loan or grant.

Current activities started or underway to identify, promote and support new sections.

Regular coordination with Nat’l Treasurer & Nat’l Secretary to facilitate progress of new sections.

Austin, TX - Champion, Chris Wickman
✓ Initial telecon on 2-13-18
✓ Spark Letter was provided to Champion on 4-9-18
✓ Conference call with Chris on 5-11 and the following items were discussed:
   - Promotional materials available and can be distributed to Chris; committee will compile a portfolio of appropriate materials and send them in the next week.
   - Status of building local database
   - Schedule a conference call with National Treasurer once the core group has been established
   - Exhibiting at SASHTO Conference in August – thoughts of manning booth with representatives from Dallas, Houston and Austin. We will schedule a conference call after the National Conference to strategize how we can maximize our presence while being fiscally responsible with our financial resources.
San Diego, CA – the committee has had difficulties connecting with Nathan Chapman, the Champion in the West Coast Region. One telephone message and three e-mails were generated since our last communication in mid-February, but we have been unsuccessful in reaching our Champion.

Hartford, CT – no new activity to report.

South Carolina – Champion, John Midyette
We have had regular communications with our Champion but John has been busy with business and personal matters but has agreed to follow up on prior actions after the National Conference. We last connected with John on 5-8-18.

Other activities:

New Sections’ Toolkit & Guidebook – We have some materials that need to be updated. We have not advanced the goal to create a formal guidebook as of this report.

Brian O’Connor from the Georgia Section has been added to the committee for the 2018-2019 calendar year and will be copied on all future correspondence.

NACE Representative – Ted Hubbard, - Ted.Hubbard@Hamilton-co.org
NAWIC Representative – Leigh Lilla - llilla@nelson-construction.com
IECA Representative – Vacant
ASCET Representative – Mollie Gosnell - cadlz74@gmail.com

Meetings held since the previous Quarterly Report

1. April 10,2018 Conference Call with Fortuna, Hubbard, Lilla, Gosnell
2. Next call scheduled for June 12th , 2018

Motion(s) to be brought before the National Board:

None

Discussions to be brought before the board

1. The International Erosion Control Association liaison position continues to be vacant. During my time on the board, this has been a dormant partner. I ask that the board go back to their original contacts to see if we can reengage them. While Jeff DeAngelo served a short time as the liaison quite some time after the partnership he was unsure of any known relationships.

2. There has been some ongoing discussions with IBC representative Kevin Duris, Greg Dutton and Richard Cochrane about forming a partnership. The stumbling block continues to be the perceived inequity between booth exchanges. This topic has been tabled by this committee and viability of their partnership should be determined by the National Board.

3. There has been some general discussion related ITE about potential partnering. Perhaps there is a National ASHE board member who may have some contacts. If so, please forward to Dawn Fortuna.
**Actions:**

Partnership updates.

**ASCET - American Society of Certified Engineering Technicians-Mollie Gosnell**
ASCET will be having their National Conference on November 1st in Black Hawk Colorado. This may be an opportunity if we are considering a new section in Denver. Please share this with New Sections.

**IECA-International Erosion Control-Vacant**
This position continues to be vacant; this committee seeks help from the National board in reengagement.

**NACE-National Association of County Engineers-Ted Hubbard**
Ted Hubbard is newer to this position. I’ve asked the PR committee to provide previous handouts to him related to the benefits of partnering. This will assist him as he moves forward with building that relationship.

**NAWIC-National Association of Women in Construction-Leigh Lilla**
Leigh had reached out to NAWIC about exhibiting at our national conference. The general feedback is that they seemed to have lost some continuity of the partnership with the exchange of exhibiting. She will follow up and discuss with them about exhibiting at their Orlando National conference.

**SMPS-Society for Marketing Professionals-Dawn Fortuna**
SMPS will be exhibiting at our national conference. Additionally, SMPS is having their National conference in San Diego on August 15-17. There was a recent call with Sam Mody and Nate Chapman about a new section in San Diego so this might be an opportunity to raise ASHE presence in San Diego. Please discuss more with New Sections if we should take advantage of.

**Budget update**

1. 2018 - 2019 Budget: $4000.00
2. Spent – List items and $ spent this quarter
   a. No costs expended during this quarter
3. Current Budget Balance: $1851.53
4. List any Non-Budget Items that should be considered.
   a. This committee has not necessarily been utilizing its complete budget every year. However, if there is anticipated participation in Denver and San Diego a part of a new Sections leverage it should be maintained at its current level to cover the additional travel expense.

Motion(s) to be brought before the National Board:

Resolved: None at this time.

Discussions to be brought before the National Board:

1. None at this time.

Status of Action Items:

1. Maintain appropriate records to ensure that ASHE programs and sessions meet the requirements for professional certification in the various states. Ensure that sections likewise maintain records appropriate for their states. Review Section and/or Region data on PDH issuance and summarize to the National Board:
   a. The accounting for Calendar Year 2017 was attached to the last periodic report as the compilation of Section reporting. This constitutes the primary record keeping by the Committee.
b. Reporting Sections have confirmed that they will maintain records of continuing education sessions, consistent with the Professional Development Certification Program, for at least three years.

c. The Committee is satisfied with the reported data at this time.

d. Continue to advocate sharing of speaker topics and potential sessions across organization based on summary document distributed to Regions/Sections.

2. Develop and maintain policy documents to provide guidance to Sections with respect to professional development:

   a. With one full year having been completed, the Committee is better situated to evaluate how Sections are providing continuing education and the adequacy of their record keeping and compliance with the Professional Development Certification Program.

   b. Committee will continue to solicit/advocate Sections to monitor local licensing board rules and regulations that may have an effect on the ASHE guidelines for future edits/updates. The National Board of Directors can be an effective tool for conveyance of this information as well.

**Budget update:**

1. 2017 - 2018 Budget: $0

2. Spent – List items and $ spent this quarter

   a. $0

3. Current Budget Balance: $0

4. List any Non-Budget Items that should be considered.

Motion(s) to be brought before the National Board:

Resolved: None at this time.

Discussions to be brought before the National Board:
1. None at this time.

Status of Action Items:

1. Identify and provide status of existing student chapters:
   a. The last comprehensive survey of Sections resulted in a January 2016 report that is now considered materially outdated. Some Sections utilized the fourth quarter 2017 Region/Section report to provide additional information on this topic.
   b. The Committee proposes to attempt an update in the fall of 2018 (approximately October) for three reasons:
      i. The Committee will be able to construct the requested information to be succinct and yet the most informative.
      ii. Students will be at the most active at that time and Sections will have had a chance to check in with them after the summer.
      iii. It will provide some time after the most recent (circa December 2017) request so that Sections will not feel we are prematurely asking for an update.

2. Regional Student Chapter Conference:
   a. The first of these was hosted September 30, 2017 by ASHE@UD, the Student Chapter at the University of Delaware and was considered successful with fourteen students from six universities as well as eight professional members.
   b. The Committee released a request for proposals to regional student chapters on February 16, 2018 with a deadline of March 15, 2018. The Committee selected Widener University’s proposal and is working with the student team on a fall date, likely to be either September 29 or October 6.

3. Track student membership, either within or outside existing database:
   a. This information will be part of the solicitation planned for the fall of 2018.

4. Update Best Practices for Developing and Sustaining Student Chapters:
   a. The first edition of these best practices was published February 17, 2016.
   b. It is believed that the additional student activity since that time can contribute to an even more robust collection of challenges, solutions, and examples.
   c. The Committee plans to publish a second edition of the best practices during the summer of 2018. That work is underway.

5. ASHE logo table cloth program implementation (it is our understanding funding was approved):
a. Coordinate with Public Relations group for advice and confirmation that we are using current branding.

b. Obtain updated quotes, select, and order the coverings.

c. Develop criteria for when these would be issued to a student chapter.

d. Distribute to initially qualifying student chapters.

Budget update:

1. 2017 - 2018 Budget: $0

2. Spent – List items and $ spent this quarter
   a. $0

3. Current Budget Balance: $0

4. List any Non-Budget Items that should be considered.
   a. For 2018-2019 – tradeshow tablecloths - $2,100 (approved by National Board of Directors in March 2018)
   b. For 2018-2019 – Regional Student Chapter Conference - $1,000 (approved by National Board of Directors in March 2018)

Discussions to be brought before the board
1. JMS Server Database Update Recommendations – See attached proposal. This is a stand-alone contract to update the existing database for security and ease of use. See also attached scope options previously reported.

Status of action items:

Internet / World Wide Web
• Revise or replace existing web site to modern standards of navigation and appearance. Coordinate activities with PR Committee – Preparing a new RFP to be sent out this fall
• Ensure web content is up-to-date and can be easily modified – No issues noted
• Maintain Region and Section webmaster contacts – 90% Complete
Cloud
- Continue to improve use and organization of ASHE Cloud – No specific issues known.
- Add users as requested – Up to date; 4 users added in May; Admin rights given to Mindy S.

Introduction

The purpose of this proposal is to continue the agreement between the American Society of Highway Engineers (also referred to as “ASHE” or “client”), and J.M. Server Solutions, LLC (also referred to as “JMSS” or “provider”) for hosting and support services in the 2018 calendar year.

This ongoing agreement provides hosting services to ASHE as well as a designated number of support hours which is explained herein. This project, which started in 2010, is an integral part of the ASHE operations and J.M. Server Solutions remains fully dedicated in providing the best possible service for an affordable rate.

About our Company

J.M. Server Solutions was founded in 2011 with a vision to provide server hosting and other technology related services to the local and national areas. From the beginning, we have had a single mission to provide these services at the highest quality and at an affordable price. Since we are a small business, we are able to easily stick to our mission while maintaining our quality of service.

Our company is a PA registered and licensed Limited Liability Company. Our headquarters are located in Johnstown, Pennsylvania. The business is a PA COSTARS contract registered small business.

Datacenter Information

Our datacenter is hosted courtesy of Amazon Web Services. They provide the ability to host our servers securely and protect them from all failures. Our servers are hosted on the west coast with the ability to fail over to a different datacenter located elsewhere in the United States. The West Coast also avoids the high traffic networks in the East. Our data is securely hosted in the same datacenter as some of the largest companies in the world.

We maintain a secure VPN link with the datacenter for management purposes. This allows us to manage our servers, while also providing us with real-time alerts of failures and other events. Our servers are also scalable, meaning when more space is needed, it can be added easily.
Description of Scope

The purpose of this proposal is to continue the hosting and support agreement for another calendar year. The definitions are as follows.

Hosting

The hosting shall include space on a secure, dedicated server. The space shall expand as needed as ASHE grows. No ownership of physical hardware is granted through this agreement.

The hosting is for the National Membership Database, ASHE Cloud, and for ASHE National, Region and Section websites. This definition is open for modification only when a separate agreement demands other data be hosted on this server.

ASHE websites will have their own control panel in which they can monitor and control every aspect of their individual site. The default limitations for these sites shall be as follows:

1GB Storage
15GB Monthly Bandwidth Transfer
5 FTP Accounts
20 Email Addresses
5 Databases
5 Parked Domains

These limitations can be modified on a case-by-case basis within reason. As per ASHE motion passed in 2013, individual regions and sections must contract directly through JMSS for any additional storage needs.

Hosting/Website Support

For the purposes of this agreement, the only support provided for websites or the hosting accounts is the creation of hosting accounts as needed. All other website support and maintenance is on a time and materials basis contracted with the specific Section or Region at the prevailing rate.
Support - Database

The definition of support differs between various applications and agreements. This definition is unique to this agreement. Support agreements are not time and materials based.

J.M. Server Solutions will provide one year of support for this agreement. This support includes the following:

- Repair of Database Malfunctions and Bugs
- Database Field Additions and Subtractions
- Minor Database Customization – Maximum of 10 hours
- Minor Report Customization – Maximum of 10 hours
- Section and Region Addition and Subtraction
- Password and Help Requests
- Data Import from CSV as necessary
- Needed Server-Side Software Updates

A representative from the Provider will be available to attend either the ASHE National Board Executive Committee or the Database Committee meetings at the request of the ASHE National President for the purposes of updating the Committee on database progress and any needs (see travel section).

These definitions are custom for this agreement. Therefore, descriptions and price quotes on our corporate website may not reflect those in this agreement.

The ASHE Membership Database and any associated customized software developed at the expense of ASHE will remain the property of ASHE.

JMSS will notify ASHE of downtime and potential changes before they occur. It is the responsibility of ASHE to provide JMSS with a mailing list.

JMSS will maintain contact with the ASHE National Secretary. All communication with the Provider will be conducted through the National Secretary who will direct the Provider on behalf of ASHE.
Support – ASHE Cloud

The ASHE Cloud is a one of a kind, unique, service that should be supported as such. The Cloud is designed to act as a password protected file server providing ASHE a centralized repository for all files. During the term of this agreement the Cloud will be fully functional and the support part of this agreement will be tailored to that. Support for the ASHE cloud will include the following:

- Setup of the Workspaces as defined by the Cloud Committee
- Customization of settings to suit the needs of ASHE
- Participation in meetings, webinars, etc.
- Participation in presentation at the ASHE National Conference
- Training of the Committee to set up usernames, passwords, and permissions.
- Current storage for the cloud is capped at 50GB.
- Needed server-side software updates
- Assist Cloud Committee Chair with the initiation and Support of a Cloud User Group
- Daily incremental and weekly full backups of files stored locally and transferred to a different Datacenter nightly, with a retention policy of five daily backups and four weekly backups.

A representative from the Provider will be available to attend either the ASHE National Board Executive Committee or the Cloud Committee meetings at the request of the ASHE National President for the purposes of updating the Committee on Cloud progress and developments (see travel section).

JMSS will also maintain contact with the ASHE Cloud Committee. All communication with the Provider will be conducted through this Committee who will direct the Provider on behalf of ASHE.

Reporting

JMSS will provide a report of activities monthly to the Technology Committee chair.

Travel

At the discretion of the National President, JMSS will travel to two National Board meetings, outside of the National Conference, for the purposes of updating the National Board on Provider activities, as well as the progress of all current projects. JMSS will also meet with the respective committees involved with the projects at hand in order to maintain adequate and proper lines of communication with ASHE. ASHE will reimburse JMSS for (1) one night of accommodations (at the ASHE negotiated rate), meals, and transportation expenses (if applicable) up to a maximum $500.00 per occurrence for the contract term.
Proposed Cost

The itemized cost breakdown is as follows:

Hosting
ONE YEAR ................................................................................................. $1,750.00

Support - Database
ONE YEAR ................................................................................................. $1,250.00

Support – ASHE Cloud
ONE YEAR ................................................................................................. $750.00

Backup – ASHE Cloud/Hosting
ONE YEAR ................................................................................................. $750.00

Domain – ashe.pro
ONE YEAR ................................................................................................. $40.00

TOTAL AGREEMENT .................................................................................. $4,540.00

The monthly cost of this agreement is $375.00 with the domain payable upon renewal. As of this contract, this agreement will now be billed and payable monthly.

Contract term is June 1, 2018 to May 31, 2019.
Terms and Conditions

This hosting contract is leasing space on a server owned by J.M. Server Solutions. By signing the contract that is linked to this proposal, there is no transfer of ownership.

The signature of the contract that is associated with this proposal, is accepting the terms for a period of one year. EARLY TERMINATION: ASHE must pay out the remainder of the contract in one lump sum if they choose to terminate the contract before the agreement is over. EXCEPTION: Should JMSS not fulfill the terms of the contract and an agreement cannot be made, ASHE has the option to provide 30 days’ notice to terminate this agreement. ASHE will then pay the prorated amount (or receive an invoice credit) of services rendered to that date.

SLA: JMSS will respond to queries submitted by phone, electronic mail, or other viable communication in a maximum of 48 hours. Should services beyond the terms of this agreement be required as a result of this communication, a contract change request including cost and time estimate will be communicated to the client.

This contract can be changed after signing by either party only by the filing a contract change request. Changing the contract may involve additional costs depending on the change and will require approval by the National Board.

The terms and conditions for this contract are valid for the term of the agreement. Any changes will be made in writing to the ASHE National Secretary thirty (30) days prior to the change.

ASHE will continue to keep the small “powered by” footer on the database and cloud interface throughout the term of this contract.

Questions should be made in writing to J.M. Server Solutions via email at jmorisi@jmserversolutions.com.

J. M. Server Solutions is a limited liability company operated in Johnstown, Pennsylvania. All logos, designs, and software bearing its name shall remain property of the company. This property shall not be used, duplicated, or re-branded without prior permission.

Introduction

The purpose of this proposal is create an agreement between the American Society of Highway Engineers (also referred to as “ASHE” or “client”), and J.M. Server Solutions, LLC (also referred to as “JMSS” or “provider”) for the back-end redevelopment of the organizations membership database.

The original database was created in 2010 with coding that was relevant for the time. Several years have passed and exposed security holes and bugs that are best taken care of with a full hardening and re-code. This proposal is based off the analysis performed in September 2017.

About our Company

J.M. Server Solutions was founded in 2011 with a vision to provide server hosting and other technology related services to the local and national areas. From the beginning, we have had a single mission to provide these services at the highest quality and at an affordable price. Since we are a small business, we are able to easily stick to our mission while maintaining our quality of service.

Our company is a PA registered and licensed Limited Liability Company. Our headquarters are located in Johnstown, Pennsylvania. The business is a PA COSTARS contract registered small business.

Datacenter Information

Our datacenter is hosted courtesy of Amazon Web Services. They provide the ability to host our servers securely and protect them from all failures. Our servers are hosted on the west coast with the ability to fail over to a different datacenter located elsewhere in the United States. The West Coast also avoids the high traffic networks in the East. Our data is securely hosted in the same datacenter as some of the largest companies in the world.

We maintain a secure VPN link with the datacenter for management purposes. This allows us to manage our servers, while also providing us with real-time alerts of failures and other events. Our servers are also scalable, meaning when more space is needed, it can be added easily.
Description of Scope

The purpose of this proposal is to create an agreement to modify and harden the existing National Membership Database, as per the analysis performed in September 2017.

Create a Development Mirror

A development mirror is needed to test upgrades and code changes prior to implementing on the live system. This mirror will be an exact clone of the existing membership database. The systems can be cloned to have the data matched. The labor for future clones will be defined in an addendum to the in-effect support agreement.

Harden and Modify Code

The code will be updated to reflect the latest PHP version. This will include security modifications to protect against SQL injection and provide better logon security. This will also allow for easier future modification and implementation of customization requests.

Install Security Certificate

A SSL certificate will be installed to both the DEV and Production environments. Necessary modification will be made to direct web requests to the secure site.

Potential Project Schedule

Kickoff Meeting – one day
Development Mirror Creation – five days
Code Modification – 90-120 days
SSL Certificate – two days
Acceptance Testing – 30 days
Go Live – 2 days
Wrap-up and Lessons Learned – five days
Total Potential Time investment: 135 to 165 days
Proposed Cost

The itemized cost breakdown is as follows:

Labor

ONE YEAR ........................................................................................................ $2,500.00

TOTAL AGREEMENT ......................................................................................... $2,500.00

25% of the total agreement is due upon signing the agreement. The remaining 75% is due upon the go live date of the modified database.

Terms and Conditions

The signature of the contract that is associated with this proposal, is accepting the terms for a period of one year. EARLY TERMINATION: ASHE must pay out the remainder of the contract in one lump sum if they choose to terminate the contract before the agreement is over. EXCEPTION: Should JMSS not fulfill the terms of the contract and an agreement cannot be made, ASHE has the option to provide 30 days’ notice to terminate this agreement. ASHE will then pay the prorated amount (or receive an invoice credit) of services rendered to that date.

SLA: JMSS will respond to queries submitted by phone, electronic mail, or other viable communication in a maximum of 48 hours. Should services beyond the terms of this agreement be required as a result of this communication, a contract change request including cost and time estimate will be communicated to the client.

This contract can be changed after signing by either party only by the filing a contract change request. Changing the contract may involve additional costs depending on the change and will require approval by the National Board.

The terms and conditions for this contract are valid for the term of the agreement. Any changes will be made in writing to the ASHE National Secretary thirty (30) days prior to the change.

JMSS will retain the right to put a small “powered by” message at the bottom of the database login pages.

Questions should be made in writing to J.M. Server Solutions via email at jmorisijmserversolutions.com.

Introduction

The purpose of this proposal is to create an agreement between the American Society of Highway Engineers (also referred to as “ASHE” or “client”), and J.M. Server Solutions, LLC (also referred to as “JMSS” or “provider”) for the modification and securing of the ASHE National Membership Database (“database”).

This agreement would initiate design services to modify the backend code of the database to both harden and modernize it. The existing code was written in 2009 and security standards as well as software have changed significantly since.

About our Company

J.M. Server Solutions was founded in 2011 with a vision to provide server hosting and other technology related services to the local and national areas. From the beginning, we have had a single mission to provide these services at the highest quality and at an affordable price. Since we are a small business, we are able to easily stick to our mission while maintaining our quality of service.

Analysis

A cost/benefit analysis was performed on the ASHE Membership Database to determine if it is a sound investment for ASHE to modify the existing code or if it is better to leave the database as is.

Issues

- The ASHE Membership Database is nearly eight years old, with no major upgrades since its adoption, and limited code changes through that time period.
- The database is running on PHP Version 5.3. This version of PHP has gone end of life effective August 2014, meaning that no security updates to the software code are available.
- The latest PHP version is 7.2, as it stands right now significant modification is needed in order to make the database compatible with this software.
- The database is written in PHP code which is vulnerable to SQL injection, as well as other security risks.
- It has become difficult to make modifications to the database as the code is not easily customized without “breaking” something else within another portion of the database.
- There is no development mirror – certain portions of the database are offline during modifications.

Objectives

- Provide a modern back end database to withstand years to come at minimal investment.
- Harden code to prevent malicious persons gaining access to the database.
- Enable editing whilst leaving the production database online.
- Provide code flexibility to make it faster and easier to modify the database code.
- Provide an updated and fresh user interface while maintaining the existing easy to use layout.
Modification Options

Three options were considered as part of the analysis.

**Option 1 – Leave as-is**

**Pros**
- Most cost effective
- No risk of extended downtime
- Database stays as-is

**Cons**
- Leaves database open to security flaws and vulnerabilities.
- Makes it harder/impossible to modify to customize in the future
- Would eventually become obsolete due to software changes

**Option 2 – Modify and Harden**

This option would be considered the middle of the road option. It is effective and would accomplish all of the objectives listed.

- Create a development mirror with expendable data for testing code off prior to upload on the production system.
- Harden and modify the existing code to conform to modern security standards, protect against SQL injection, and bring into compliance with the latest PHP version
- Accomplish previous requests (region/section auto fill) within this modification as well as allow for easy future modification.
- Install a security certificate for the database

**Pros**
- Sound investment to the future of the database
- Accomplishes all objectives
- Development time is reasonable
- Modernizes and provides security without re-inventing the wheel

**Cons**
- Minor front end customization
- Unknown future PHP versions
- Keeps same baseline code and hardens it
Option 3 – Full Overhaul

This option would completely overhaul the database. It would go above and beyond the objectives listed.

- Create a development mirror with expendable data for testing code prior to upload on the production system
- Write a new back end PHP based system for the Section, Region, and National databases that conforms with modern PHP and security standards
- Re-design the function of the database
- Full front end overhaul with modern themes

**Pros**
- Provides ASHE with a brand new database
- Allows for the most customization and new features
- Accomplishes all objectives and more

**Cons**
- Large investment for ASHE
- Would require many hours and possibly a sub-contractor for JMSS
- New learning curve for users
- Requires re-import of data to new database which opens ASHE up for data discrepancies
- Requires full modification of the underlying SQL data as well

**Investment**

The investment for ASHE would be as follows:

**Option 1- AS IS**

LABOR ........................................................................................................ $0.00

**Option 2 – Modernize and Harden**

LABOR – 80 to 100 hours ............................................................................ $2,500.00

**Option 3 – Full Overhaul**

LABOR - ~200 hours plus consultant labor ..............................................$6,750.00
Cost/Benefit Recommendations

There is an identified need for improvement on the existing database. Many features are outdated and the security risk is enough to be noticeable.

Option 1

This option is the status quo option. It provides no improvement in the short term and continues the modify-as-needed approach. There is no cost for this option and also no benefit. This option does not mitigate any risk, but places the risk on the organization due to the possibility of personally identifiable information being leaked.

Option 2

This option provides a very robust solution to all of the objectives, as well as mitigates all the current known issues. Although the modifications will take some time and investment, it will provide a much easier to modify database at the end. This option mitigates the current risks, and places less of a bourdon on ASHE. This option would be a sound investment for ASHE.

Option 3

This option provides a luxury plan of completely overhauling the database from scratch. Although it provides the most flexibility and options, it is a significant investment on software that is not that old and still viable. This also provides the biggest risk for scope creep, as sub-contractors will be needed due to the time commitment.

With the options provided, JMSS recommends ASHE proceed with Option 2 which provides the greatest benefit for the investment required.
Terms and Conditions

A hosting contract is leasing space on a server owned by J.M. Server Solutions. By signing the contract that is linked to this proposal, there is no transfer of ownership.

The signature of the contract that is associated with this proposal, is accepting the terms for a period of one year. EARLY TERMINATION: ASHE must pay out the remainder of the contract in one lump sum if they choose to terminate the contract before the agreement is over. EXCEPTION: Should JMSS not fulfill the terms of the contract and an agreement cannot be made, ASHE has the option to provide 30 days’ notice to terminate this agreement. ASHE will then pay the prorated amount (or receive an invoice credit) of services rendered to that date.

SLA: JMSS will respond to queries submitted by phone, electronic mail, or other viable communication in a maximum of 48 hours. Should services beyond the terms of this agreement be required as a result of this communication, a contract change request including cost and time estimate will be communicated to the client.

This analysis was provided at no cost as a service to ASHE. Any opinions and recommendations given by JMSS are only recommendations; the client is encouraged to do their own benefit analysis. JMSS is not responsible for issues that arise from this Analysis.

This contract can be changed after signing by either party only by the filing a contract change request. Changing the contract may involve additional costs depending on the change and will require approval by the National Board.

The terms and conditions for this contract are valid for the term of the agreement. Any changes will be made in writing to the ASHE National Secretary thirty (30) days prior to the change.

ASHE is bound by the terms and conditions listed on the providers website.

ASHE will continue to keep the small “powered by” footer on the database and cloud interface throughout the term of this contract.

Questions should be made in writing to J.M. Server Solutions via email at jmorisi@jmserversolutions.com.

J. M. Server Solutions is a limited liability company operated in Johnstown, Pennsylvania. All logos, designs, and software bearing its name shall remain property of the company. This property shall not be used, duplicated, or re-branded without prior permission.
Acceptance

A formal agreement will be presented should ASHE want to move forward with the work presented in this analysis.

Great Lakes Region held an Officers Meeting on February 1, 2018. No board meeting has been held during reporting period Q2. The follow correspondence has happened via email over the Q2 period:

- Frank Bronzo notified the Great Lakes Region Board that the funds in the Circle City escrow account will be turned over to the Great Lakes Region to use in an effort to restart the Section or for use in starting other sections.
- Coordination with the Sections regarding insurance policies and payment collection has occurred and will accompany these Section Reports. ASHE National inquired with Region Secretaries about insurance policies and Triko Valley solicited information on how other Sections in the Region are collecting payment.

MID-ATLANTIC REGION:
Quarterly Report (2nd Quarter, 2018)
April 2018 – June 2018

by Robert G. Reed, P.E., President, Mid-Atlantic Region, Nimish Desai, P.E., 2nd Vice President, Mid-Atlantic Region and the Sections of the Mid-Atlantic Region

Sections: Blue Ridge, Carolina Piedmont, Carolina Triangle, Chesapeake, Greater Hampton Roads, North Central West Virginia, Old Dominion, and Potomac

REGIONAL REPORT
The Mid-Atlantic Regional Board has been very active during this quarter. Weekly meetings were being held using the ASHE National conference call number. Planning progressed and was finalized for our spring technical conference, our largest Regional event of the year, held on April 9 at the Darden School of Business at UVA in Charlottesville, VA. The National President was able to participate in the conference as well as attend the BoD meeting on Sunday. Thanks to Greg for his commitment and participation in these two forums. About 120 people attended the conference to hear our speakers from leaders in the roadway industry, research, and academia along with a social mixer and other shared time among members. We’re already looking forward to next year’s event.

The Region held a face-to-face board meeting the day before the Technical Conference, Sunday April 8. This year was an election year for Regional Officers, and we had multiple candidates for some of the positions which required a review of the bylaws to keep us on track. It was great to have so much interest among the membership in filling the Regional officer positions. After counting the secret ballots, the results were announced at the Technical Conference:

- Past President: Bob Reed
- President: Nimish Desai was elected (he has served as 2nd VP for 3 years)
- 1st VP: John Midyette retained his position for another 3-year term
- 2nd VP: John Harmon was elected (has served as Reg Conf Chair for several years)
- Secretary: Rhys Keller was elected (served as Conf Co-chair last year)
- Treasurer: Brian Post was elected (served as Region Director for Chesapeake the past 2 years)

The BoD congratulates each of the new Regional Officers who will take over on June 1 – we will be in great hands. Our past secretary, Terrell Hughes, will become his Section’s (Old Dominion) President in the coming year; one of the key positions in our overall ASHE structure. Good luck Terrell. The BoD also would like to thank Mike Prezioso for his past service as Regional Treasurer; Mike has served as Regional treasurer since before the current region structure was established in 2010. His knowledge and efforts in this important role have served the Region well. His successor, Brian Post has big shoes to fill. Thank you Mike. Thanks also to the Region Directors. Their continued involvement and efforts are the key to our continued success.

The BoD invites all our members to get involved at the Regional Level as a future officer or on one of our important committees – it’s a great group of dedicated volunteers. Some of our ongoing work includes:

- Refinement/streamlining to the PDH approval process were approved at the April 8 meeting. Going forward, we will rely more on the local Sections for the program and apply the National
Guidelines that were issued in 2016 in lieu of our previously utilized Regional SoP/Guidelines. (Details will be published with the 4/08/18 meeting minutes)

- Concrete steps were developed to establish a new Section in South Carolina by the end of the year. The Region will coordinate our efforts with the National New Sections Committee as well. Their knowledge will help this come to fruition.
- Regional funds were approved to be loaned to Carolina Triangle to assist with their future 2020 National Conference. A formal letter will be issued to them along with a check.
- Our budget committee is establishing alternative/productive uses for our Regional Funds
- The first year of our Awards Committee (2nd year of national awards program) was extremely successful; our two nominated projects won first place for both of the National Awards; see the projects in Cleveland.

The Board thanks everyone in the Region for their strong support and participation that makes the Mid-Atlantic Region the success that it has been and for what it will be in the future.

Regional Financial activities during the period
The financial activity during this reporting period was mainly related to upfront expenses, and sponsorships related to the Regional Spring Technical Conference held in Charlottesville, VA on April 9, 2018. For the second quarter (April – June 2018) report, we have not completed closing out the financial results from the Regional Technical Conference. As of the date of this reporting, we have not received the final invoices and deposits from the Technical Conference, but will have final results by the 3rd quarter report. The current balance in the Region’s checking account is $48,327.86.

Activities

February
In February, Karen Michael, PE, District Executive District 2-0, provided an overview of the District’s program. We had a great turnout for this event with 85 members and guests in attendance for a catered meal by Apple Banquets at the District office.

March
In March, Geoffrey Stryker, STV and Tom Kerins, Urban Engineers, presented PennDOT’s 2 Billion I-95 Corridor Reconstruction Project from a design and construction perspective. Thirty-five (35) people were in attendance for the meeting at Ramada Convention Center in State College on 03.15.2018.

April
In April, Matthew Beck, PE of PennDOT District 3-0, Barbara Hoehne, PE of STV and David Hamlet, PE of Gannett Fleming, presented the Central Susquehanna Valley Transportation (CSVT). The CSVT project involves the construction of a new four-lane limited access highway, approximately 13 miles long, connecting PA 147 in Northumberland County to US 15 in Union County to US 11/15 in Snyder County. The $670 million project has been in development for decades and finally overcame many years of delay caused by lack of funding when Pennsylvania passed Act 89 in late 2013. The project is separated into the Northern and Southern Sections for design and construction. Thirty-five (35) people were in attendance for the meeting at Mountain View Country Club in Boalsburg on 04.19.2018.

**Student Sections:**
- Our Student Chapter has continued to flourish under a new Director and has continued to host regular monthly meetings at the University of North Florida. We sponsored our first Student Chapter Competition at the annual Build/Putt/Give Program hosted by Peters and Yaffee, in September 2016. Two student teams competed in the competition, with a prize awarded to the best build.

**Other:**
- This year’s Clay shoot was a huge success with profits exceeding $18,500. This is a joint event put on with ASHE and DBIA. Our halves of the proceeds are given to UNF travel and competition funds.
