ASHE Power Points

ASHE PowerPoint presentations are available to Regions/Sections on the ASHE National Website at www.ashe.pro. The purpose of the PowerPoints is to promote ASHE to potential members and the formation of new Sections.

- “ASHE General,” intended for informational use by Regions/Sections
- “Become a member” is intended for potential new members.
- “Start a Section” is intended for potential new Sections.

Strategic Plan

The Strategic Plan establishes the future goals and objectives of the American Society of Highway Engineers. ASHE is firmly committed to long range planning and believes that the process of identifying its goals and objectives allows ASHE to focus on changing conditions and to be responsive to the members’ needs through proper utilization of its resources.

The planning process identifies the short term and long-term goals and objectives of ASHE and establishes strategies to address issues within the period. The process strives to direct the efforts of ASHE toward attainment of these goals and objectives.

The Strategic Plan requires a periodic review with input from members of the National Board, on a three-year basis to assess the issues, assumptions, and goals of the Society. The Strategic Planning Committee is responsible for the review and updating by the National Board.

Membership

A standard membership application and/or transfer form is included on www.ashe.pro

- **Transfers**-A member wishing to transfer to another Section completes a Membership application form marking the "Transfer" block and submits to the receiving Section. The receiving Section's Secretary completes the form and then submits it to the National Secretary. The National Secretary will correct the National Roster and will notify the departing Section of the transfer.
- **Roster Revisions**-Changes to each as employer, home address, retirement, telephone/fax numbers, email address, etc. can be made by notifying the Section Secretary, or by corrections on invoice forms for individual dues or by routine correspondence. **This information is then forwarded through the Section Secretary to the National Secretary and should be done on a routine basis.**

Note: On the National Website www.ashe.pro members may click on the membership link and update your information which will be sent to the Section secretary and the National Secretary.

- **Grades of membership**-The active membership grades are:
Student- A student member shall consist of those persons who are currently pursuing a degree in engineering, construction, management, surveying, or other highway industry related fields from a university, college, or technical school. Persons in a master's Program are eligible to be a student member but are also eligible to be a member.
Member- A member shall be working/practicing or has worked/practiced in the highway industry or its allied fields. All members shall have a high school education or its equivalent.
Life- A Life members shall have been a dues paying member of a particular Section for twenty-five years and shall have been active in ASHE activities.
Honorary-Honorary Member shall be chosen only from those persons who are of acknowledged eminence in some branch of the highway industry or have singularly advanced the interests of ASHE. The National Board of ASHE must award the approval and issuance of this classification of membership, as set forth in the By-Laws.

Qualifications for membership are detailed in Article II of the Constitution. Dues and assessments are collected for all but Honorary Members. Any member whose dues become 12 months in arrears forfeits their membership in ASHE.
